

Areas of Study

Our curriculum provides a strong academic foundation while encouraging creativity, leadership, and critical thinking through:

- English Language Arts (CKLA)
- Mathematics (Bridges in Mathematics)
- Science
- Social Studies
- STEM & Technology
- Art
- Music
- Physical Education
- Spanish Language & Culture
- Social-Emotional Learning (SEL)
- Passport Career Exploration Program
- Leadership & Life Skills

Students also participate in hands-on learning experiences, project-based activities, and technology integration that prepare them for success in school and beyond.
