Welcome to Macomb Montessori Academy!

We are excited you have chosen our school for your child's education. When someone joins our community, you become part of our family. We believe it takes a village to raise a child, and we're honored to play a role in that journey. At MMA, we proudly serve a diverse group of students from kindergarten through sixth grade, and we're deeply committed to fostering both academic excellence and personal growth.

Our dedicated team of teachers, paraprofessionals, custodians, food service workers, and administrators works together to create a supportive and engaging learning environment. Using the Montessori Method, we encourage curiosity, creativity, and critical thinking by guiding students toward self-directed learning that meets them where they are.

We strive for high academic standards, a safe and caring school community, and strong character development to prepare students for thoughtful participation in the world around them.

Thank you for trusting us with your student, we're grateful to partner with you. Welcome to the MMA family!

In partnership,

Shanina Draughn
Principal

1. Introduction and Overview

1.1 School Calendar

 **MMA (K-6) 26_27 Calendar .xlsx**

This calendar complies with Board Policy 8210 and MCL 388.1701, requiring 1,098 instructional hours over a minimum of 180 days.

1.2 School Hours

The regular daily school schedule Monday -Friday **begins at 8:30AM and ends at 3:30 PM**. Please call this number to report absences: 586.359.2138

Classrooms are open at 8AM for all students. Students arriving in the classroom after 8:35 AM will be considered tardy. Class activities begin promptly at 8:30AM.

1.3 Attendance and Truancy Policy

Regular school attendance is essential to academic success. In accordance with Board Policy 5200 and state law, all students are expected to attend school each scheduled day and arrive on time. Absences should be reported to the school office by 9am on the day of the absence. Excused absences include personal illness, medical appointments, religious observances, family emergencies, mandated court appearances, and other

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

situations approved by the school administrator. Documentation may be required for certain excused absences.

To address unexcused absences, the school follows a tiered intervention system. At (586) 359-2138 unexcused absences, the school will notify the parent/guardian and may request a meeting. At (586) 359-2138 unexcused absences, a required meeting with school leadership will be scheduled to discuss attendance concerns and supports. At (586) 359-2138 unexcused absences, the school may refer the student to the local truancy officer, Intermediate School District (ISD) attendance department, or county court system. If a student accumulates **7** consecutive unexcused absences without contact from a parent or guardian, the school may initiate withdrawal procedures and report the student as truant to the ISD.

A student may also be identified as chronically absent if they miss more than **10% or more** of enrolled school days, regardless of whether the absences are excused or unexcused. This includes frequent tardiness or early check-outs that result in lost instructional time. In such cases, the school may initiate a formal attendance improvement plan and may consult with the student's academic support team.

If a student's absences are due to a medical, mental health, or physical condition, the school will review whether the student may qualify for protections under Section 504 of the Rehabilitation Act or the Individuals with Disabilities Education Act (IDEA). The school is committed to working with families to ensure all students have equitable access to learning.

All attendance interventions, parent meetings, referrals, and communications will be documented by the school and reported as required by law. Your partnership in supporting consistent, on-time attendance is critical to your child's success

1.4 Make up Work for Absence from School

Students are responsible for getting and completing any work they have missed due to absence from class. Makeup work should be completed within three days of return to school for short-term absence of 1-2 days and within five days of return for absence of 3-5 days as agreed upon with the classroom teacher. In cases of extended absence of more than five days due to illness, a student may request special consideration for additional time to make up work. Parents/guardians may request this in writing.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

1.5 School Cancellation and Communication Channels

Notice of school cancellation is given by announcements on the radio (**Radio Stations:** WJR) and local tv (**Television Stations:** Channel 2, Channel 4, Channel 7), our automated School Messenger family contact program. The school website and front office will also provide important updates. Families are responsible for keeping contact information up to date at all times.

1.6 School Newsletter

The Academy will periodically distribute a newsletter or bulletin. The SMORE newsletter contains information about school activities and programs as well as an updated calendar for the month. For the good of the environment, we will send newsletters through email unless a paper copy is specifically requested.

1.7 Student Privacy and Media Consent

The school is committed to protecting the privacy and safety of all students in accordance with the Family Educational Rights and Privacy Act (FERPA) and internal policy. To honor this commitment, staff and volunteers will not photograph, video record, or audio record students whose parents or guardians have submitted written notice opting out of media permissions.

Upon enrollment, families are asked to complete a media consent form indicating their preferences regarding photography, video, and audio recordings of their student. These images or recordings may be used in newsletters, social media, classroom apps, marketing materials, or news stories that promote the school's mission and culture. If a parent or guardian chooses to opt out, the school will make every effort to exclude the student from any public-facing content.

Classroom- or teacher-directed use of digital platforms (such as communication apps or learning portfolios) that include student photos or videos will not occur if parent or guardian chooses to opt out. This includes apps like ClassDojo, Seesaw, or Google Classroom. Staff will not privately share media content that features students and will only post content through approved school communication channels.

Parents and guardians may update their media consent preferences at any time by contacting the school office in writing. The school will honor all opt-out requests promptly and respectfully.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

1.8 Verbal and Written Communication Policy

To promote effective, respectful, and timely communication among families, staff, and school leadership, all concerns or questions should be routed to the appropriate person as soon as possible. Prompt, direct communication fosters collaborative problem-solving, helps avoid misunderstandings, and ensures that each concern is addressed at the right level.

All communications should reflect our shared commitment to respectful dialogue and mutual problem-solving. For urgent concerns that impact a child's immediate health or safety, please call the school office directly.

The Academy is committed to effective communication with all families. If a parent or guardian has limited English proficiency or requires information in a different language or format, please notify the school office. We will provide translated materials or interpretation services for important school communications and meetings, in accordance with federal and state laws.

1.9 Channels of Communication

To ensure inquiries and concerns reach the appropriate staff member, please reference the chart below:

Topic	Initial Contact
Academic progress, classroom behavior, daily schedule, assignments, class procedures, field trips, student-to-student conflict, classroom expectations	Classroom Teacher
Supporting teaching, learning, and curriculum implementation. Supervising staff and providing instructional support. Promoting a safe, positive school climate through PBIS and student discipline. Monitoring attendance and supporting student success.	Vice Principal

Assisting with school operations, safety procedures, and compliance. Building positive relationships with students, families, and the community. Supporting school improvement initiatives and administrative duties as assigned by the Principal.	
School policies, curriculum questions, special education services, behavior support programs, school-wide events, instructional methods, unresolved classroom concerns	Principal
Attendance, dismissal changes, arrival procedures, school calendar, lost and found, registration/enrollment documents, billing and accounts, schoolwide communications, McKinney-Vento homeless liaison support, parent involvement, and facilities questions	Front Office Staff

1.10 Communication Chain of Command

If a concern is not resolved at the initial level, the following communication chain should be followed in order to ensure the issue is addressed appropriately:

- Classroom Teacher
- Vice Principal
- Principal
- Superintendent
- Chief of Staff
- Chief Executive Officer
- Academy Board of Directors – *For concerns that remain unresolved after all prior steps have been followed or that relate directly to board governance.*

Please note: Unless a matter involves an immediate safety concern, legal issue, or regulatory violation, each step should be followed in sequence. Skipping steps may delay resolution or prevent the appropriate context from being considered.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Parents and guardians are always welcome to address the Academy Board of Directors during the public comment portion of their monthly board meetings. While the Board does not respond to public comment during the meeting, all remarks are documented and taken into consideration.

1.11 Communication Expectations

Teachers and administrators strive to maintain strong, respectful communication with families. To support this, the following expectations apply:

- **Response Time:** Staff will respond to emails and voicemails within one school day, excluding weekends, holidays, and scheduled breaks.
- **Urgent Messages:** Urgent changes (such as end-of-day transportation) must be communicated by phone to the school office. Staff may not see emails or other messages during instructional hours.
- **Personal Contact:** Calling or texting a staff member's personal phone is discouraged, unless previously agreed upon and contextually appropriate (e.g., field trip emergency). Respecting personal boundaries helps staff maintain focus and balance.
- **Tone and Purpose:** All communication should be courteous, student-centered, and focused on partnership. Constructive, solutions-oriented dialogue is essential to supporting students' growth and wellbeing.

By following these guidelines, we ensure communication is efficient, professional, and respectful of everyone's time and role.

2. Governance and Leadership

2.1 Mission Statement

Macomb Montessori Academy is a diverse educational community **that incorporates Montessori-inspired practices** to foster curiosity, creativity, and critical thinking in its students. The Academy provides an environment responsive to individual student needs, empowering learners to achieve academic excellence, develop a love of learning, and grow into responsible global citizens.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

2.2 Vision Statement

Macomb Montessori Academy will be a recognized model of Montessori learning and a thriving, diverse community that respects students, inspires teachers, supports families and enhances the community. Enriched through this model, our children will be academically, socially, and emotionally ready to take their place in our world.

2.3 Core Values

- Integrity
- Excellence
- Unity
- Montessori

2.4 Board of Directors, Authorizer, and Management Company

The Board of Directors is the governing body for the Academy. The Academy's Authorizer, Lake Superior State University, appoints our board members. Meetings are scheduled for the fourth Monday of every month at 6:00 pm at the Academy. Special meetings are scheduled when needed. All Board meeting notices are posted at the main entrance of the Academy and are open to the public. Academy Board of Directors contact information is listed on the school website.

The Academy Board contracts with Choice Schools Associates, LLC for management and employment services.

2.6 Title IX Coordinator

Title IX Coordinator: Shanina Draughn

Email: shaninadraughn@choiceschools.com

Phone: 586-359-2138

In accordance with federal law, the Title IX Coordinator oversees complaints involving discrimination based on sex. Please see section 12.11 for additional Title IX processes and procedures.

2.7 Governance and Accountability

In alignment with Board Policy 2700, the Academy publishes an annual P.A. 25 Report containing student achievement data, teacher qualifications, and school improvement status. It is available online and upon request.

2.8 Student Rights and Responsibilities

The Academy believes that student growth is best supported in a school environment rooted in safety, dignity, and mutual respect. We are committed to fostering a culture where every student, regardless of age, is valued, guided, and held to high expectations. Students are entitled to protections and privileges guaranteed by state and federal law. With those rights come important responsibilities to their school community.

The following rights and responsibilities form the foundation for how we learn, grow, and relate to one another:

The Right to Civil Dignity

All students have the right to be treated with kindness and respect and to learn in an environment free from bullying, harassment, and discrimination. With this right comes the responsibility to treat others with dignity and to avoid behavior that harms or excludes.

The Right to Education

Students have the right to attend a tuition-free public school and access a high-quality academic program. They are responsible for attending regularly, engaging fully, and following rules that support a productive learning environment.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

The Right to Due Process

Students have the right to fair and respectful discipline, including the right to be heard and to appeal major decisions. They are expected to cooperate with school processes that promote learning and well-being.

The Right to Expression

Students may respectfully express ideas and beliefs, provided their expression does not disrupt learning, compromise safety, or violate community standards for respectful communication.

The Right to Privacy

Students have the right to reasonable privacy in personal matters and educational records. This right is balanced with the school's obligation to ensure safety and comply with the law.

The Right to Support and Belonging

Especially for our younger learners, students have the right to be nurtured, guided, and encouraged by trusted adults. They are responsible for doing their best, following directions, and helping their peers feel safe and included.

Expectations for student behavior, academic integrity, and community responsibility are further detailed in the school's Code of Student Conduct. This document is shared annually and is available at the end of this handbook. Parents and guardians are asked to review it with their children and return a signed acknowledgment form confirming their understanding.

3. Educational Program and Academic Policies

3.1 Educational Philosophy

Educational Program**Kindergarten Level**

The Kindergarten program systematically integrates teacher-directed Direct Instruction (DI) for core academic mastery with scheduled, intentional blocks for Applied Life Skills, Sensory Exploration, and Project-Based Discovery. This dual framework ensures that the Academy meets students' individual needs to pursue academic excellence while cultivating the early leadership and community-minded behaviors outlined in the school's vision.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

1. Applied Life Skills & Environment Care: These activities focus on environmental management, fine motor coordination, and individual responsibility to develop confident, responsible, and community-minded learners. Students learn functional tasks such as carrying objects safely, pouring liquids, proper hygiene, and organizing learning materials.

Students develop early civic ownership of their classroom and outdoor environments through hands-on activities like planting, cultivating a school garden, and managing structured clean-up routines.

2. Sensory & Conceptual Exploration: Utilizing concrete, tactile learning materials, students explore and classify physical properties of their environment (such as dimension, color, weight, texture, shape, and sound). These structured exploration periods allow students to apply core concepts learned during Direct Instruction to real-world objects, fostering curiosity and critical thinking through active classification, comparative analysis, and sequencing skills.

3. Language & Early Literacy (Direct Instruction): Primary literacy instruction is delivered through a highly structured, systematic Direct Instruction model. Teachers utilize explicit modeling, strategic scripting, and choral response techniques to ensure baseline mastery of phonemic awareness, letter-sound correspondences, decoding, and sight-word recognition. This rigorous core provides the baseline communication skills necessary for students to eventually act as responsible global citizens, and is supplemented with a language-rich classroom environment that transitions students from oral to written communication.

4. Mathematics (Direct Instruction & Concrete Application): Math instruction utilizes explicit, step-by-step teacher modeling followed by guided and independent practice to ensure computational accuracy and numerical confidence. To bridge abstract concepts, students regularly manipulate concrete, hands-on math tools. The program balances explicit computational skills with project-based mathematical problem-solving applied to real-world experiences and everyday life scenarios.

5. Integrated Content & Project-Based Learning: Science, Social Studies, Art, and Music are delivered through an integrated, inquiry-based approach that deliberately fosters student creativity. Students participate in hands-on science experiments, use living plants and animals for observation, and engage in geography mapping projects (learning states, countries, and continents). Artistic and musical expressions are

integrated directly into these units to reinforce thematic academic content and widen students' perspectives on the global community.

6. Social & Collaborative Skills: Students alternate between independent focus during Direct Instruction mastery checks and collaborative peer groups during project-based blocks. The curriculum emphasizes the balance between individual responsibility and group cooperation, explicitly teaching peer collaboration, mutual respect, and positive communication as part of developing a cohesive, diverse educational community.

7. Character, Leadership & Community Development: Kindergarteners practice explicit social skills and common courtesies to build leadership traits. Dedicated circle times utilize a formalized character education curriculum and reflective practices to teach appropriate situational peer interactions, emotional regulation, and community expectations.

8. Physical Education & Movement: Activities emphasize purposeful movement and physical development. Structured Direct Instruction lessons incorporate active response techniques, which transition into organized games, cooperative physical challenges, and rhythm-and-movement exercises.

9. Health & Wellness: Children receive explicit instruction regarding personal grooming, health habits, basic safety rules, and the mechanics of illness transmission. Lessons include practical demonstrations of self-care and maintaining sanitization within the immediate learning environment.

10. Early Career & Interest Exposure: To prepare students for the elementary rotational model, Kindergarten students participate in foundational, introductory sessions that preview the multi-disciplinary themes of the school's career and interest exploration initiatives.

Elementary Level (Grades 1–6)

Students are grouped into single-year traditional grade levels. For collaborative, project-based learning and multi-tiered academic tracking, the school recognizes distinct developmental bands:

Lower Elementary (Grades 1–3) and Upper Elementary (Grades 4–6).

[Passport Program]
(12 Rotations/Year: STEM & Career)

1. Language Arts: Core Knowledge (CKLA) reading, language arts, and writing are delivered through research-based Direct Instruction programs to guarantee systematic, explicit mastery of phonics, decoding, vocabulary, spelling, grammar, punctuation, and sentence mechanics. Reading comprehension and fluency are systematically cultivated using explicit strategy instruction, giving students the tools to become life-long learners. This foundational core is directly applied across the curriculum: students engage in multi-disciplinary research projects, analytical writing, library research, and exposure to diverse classical and contemporary literature. Creative expression, leadership, and public speaking are cultivated through structured student presentations, recitations, and oral reports generated during project-based units.

2. Mathematics: Mathematics instruction follows a rigorous Direct Instruction framework, utilizing explicit teacher-led demonstrations, immediate feedback, and structured practice to ensure procedural mastery of arithmetic operations, fractions, decimals, and algebraic concepts. To ensure deep conceptual understanding and accommodate individual learning paths, the academy utilizes a **Concrete-Representational-Abstract (CRA)** instructional sequence. Students use hands-on manipulative tools and mathematical labs to master spatial concepts, geometric properties, and data analysis before transitioning fully to abstract computation.

3. Science & The Scientific Method: Science instruction prioritizes an experiential, inquiry-based approach aligned with the Michigan Science Standards, actively fostering curiosity and critical thinking. Students learn to utilize the scientific method by formulating hypotheses, designing controlled experiments, gathering empirical data, and presenting observations in physics, biology, and chemistry labs. The curriculum features extensive life-science units (botany, zoology, ecology, and human anatomy) alongside earth and space sciences. Field experiences at local nature centers, museums, and zoological parks are utilized as extensions of the classroom to provide real-world, hands-on scientific observation.

4. History, Social Sciences & Global Citizenship: The history and social sciences curriculum follows a coherent, chronological sequence that moves systematically from broad global frameworks to local civic applications, intentionally building responsible

global citizens. Units are framed around deep, essential questions designed to spark curiosity and drive independent project-based research. The curriculum progresses from universal concepts, through the development of world cultures and governance systems, into comprehensive United States history, concluding with Michigan history and local municipal structures. Students demonstrate civic understanding through integrated research papers, presentations, and mock civic exercises.

5. Music & The Visual Arts: Technical artistic skills—including music theory, rhythm, melody, vocal performance, and diverse artistic mediums—are developed through targeted instruction led by qualified specialists. Cultivating creativity as a core school tenet, arts are also intentionally integrated into general education units; students complete visual arts and media projects to synthesize and demonstrate their learning in Social Studies, Literature, and Science. Art and music appreciation are highlighted through the systematic study of historically significant artists, composers, and cultural movements.

6. Physical Education: Elementary students participate in regular physical education classes where motor skills, physical fitness, and tactical cooperation are developed through organized sports, fitness tracking, and team games. Instruction emphasizes lifelong health, physical wellness, basic anatomy, and nutritional science.

7. Applied Life Skills, Leadership & Project Management: To balance the teacher-led nature of Direct Instruction, daily schedules include dedicated blocks for student-driven project management, applied life skills, and collaborative design challenges. These periods are explicitly designed to develop confident, responsible, and community-minded learners through leadership, real-world experiences, and reflective practices. Students manage project timelines, maintain responsibility for classroom and school-grounds environmental stewardship, and develop practical problem-solving skills. Community involvement, career exploration field trips, and service-learning volunteer projects are scheduled throughout the year to connect classroom learning with the broader working community.

The Passport Program (Interest & Career Pathway Rotations):

To systematically foster curiosity, creativity, and critical thinking, the Academy operates a formalized "Passport" program. Elementary students participate in twelve (12) distinct instruction and exploration rotations per academic year. This program acts as a dynamic incubator for students to explore diverse interests and realize future career pathways.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- **Rotational Domains:** Rotations are standards-aligned and cover highly engaging, real-world disciplines including, but not limited to: Computer Coding & Technology, Culinary Arts & Cooking, Podcasting & Digital Media Communications, advanced STEAM Labs, Conversational Spanish Language & Culture, and Instrumental/Vocal Music Production.
- **Instructional Mechanism:** Each of the 12 annual sessions delivers intensive, hands-on immersive learning where students engage with technical tools, collaborate on rapid design challenges, and interface with real-world applications of the discipline.
- **The Passport Framework:** Students maintain a "Passport." At the conclusion of each rotation, students engage in formal reflective practices, documenting the core competencies they developed, analyzing real-world career lines connected to that field, and evaluating their personal affinity for the discipline. This data helps guide individual student goal-setting and future pathway selections.
- **Computers & Technology:** Students utilize digital devices on a one-to-one basis as active tools for research, data analysis, document creation, and project presentation. Digital literacy, typing efficiency, and internet safety are explicitly taught. The academy maintains the capacity to transition learning to a virtual environment via an established Learning Management System (LMS) in the event of emergency building closures.
- **Civic Grace, Courtesy & Reflection:** Students practice explicit social-emotional skills, conflict resolution, and leadership attributes. The academy utilizes a dedicated character development curriculum and regularly scheduled classroom community meetings to cultivate accountability, civil discourse, reflective practices, and a collaborative school culture.

Differentiated Instruction

The Academy addresses the individual learning needs of each student by pairing the high-frequency feedback and flexible grouping inherent in Direct Instruction with a comprehensive Multi-Tiered System of Support (MTSS). This approach ensures that the The academy fosters an environment that meets students' individual needs to pursue academic excellence. Core Direct Instruction programs utilize regular placement testing and bi-weekly formative data checks to group students homogeneously by current instructional target, allowing teachers to accelerate students who demonstrate mastery beyond grade-level expectations or provide immediate remediation for those who require

further practice. Students capable of advanced work are provided with accelerated curriculum pacing, higher-level source texts, and extended project-based inquiry options—including advanced leadership tracks within the Passport program—to continue fostering their development as life-long learners. For each student who does not meet state performance levels in reading, writing, mathematics, and/or science, the Academy, in consultation with the student’s parent, will develop and implement progress monitoring to assist the student in meeting expectations for proficiency. Strategies may include, but are not limited to, summer school, research-based interventions, targeted small-group intensive instruction, and after-school tutoring. If upon subsequent evaluation the documented deficiency has not been remediated, the student may be retained according to board policy and state law. The framework used to identify student learning deficiencies, develop hypotheses, formulate a plan, monitor progress, and analyze results follows the **Multi-Tiered Systems of Support (MTSS) model**:

- ● Tier 1 (Core Instruction and Universal Support): Consists of high-quality, evidence-based Direct Instruction general academic and behavioral programming delivered to all students in all settings. School-wide universal screening and benchmark assessments are conducted three times per year to ensure core instruction is effective and to identify students who require additional targeted support.
- ● Tier 2 (Supplemental Targeted Intervention): Consists of focused, explicit, small-group instruction (typically 3 to 6 students) provided in addition to, and aligned with, the Tier 1 core curriculum. For example, tier-identified students receive an additional 30 minutes per day of targeted reading or math instruction focusing on specific sub-skills (e.g., automatic word decoding, math facts fluency). Group sizes and instructional pacing are optimized to close performance gaps rapidly.
- ● Tier 3 (Intensive Individualized Intervention): Consists of the most intensive, highly individualized academic or behavioral interventions. Tier 3 supports feature minimized group sizes, narrowed skill focus, and increased daily instructional duration. These interventions are provided in addition to Tier 1 core instruction and are monitored with high-frequency progress checks.

The tiers are fluid and flexible; data-driven decisions allow students to transition between tiers based on documented instructional needs. If the Academy’s MTSS implementation team determines that a student is not making adequate academic or behavioral progress after the provision of verified Tier 1, Tier 2, and Tier 3 supports over an appropriate

duration—or if the child requires sustained, highly intensive accommodations to maintain progress—the team will formally refer the student for an evaluation under Special Education guidelines.

The Academy provides comprehensive support for English Learners (EL). To ensure equitable access to the core curriculum and support our diverse educational community, the Academy employs an EL Coordinator and instructional aides who deliver targeted English language development support based on annual WIDA testing results and ongoing linguistic data. Special Education and Section 504. When making educational placement decisions for students with disabilities, the Academy will ensure that parents are contributing members of the Individualized Education Program (IEP) team, and together the team will make decisions that are subject to requirements regarding provision of the least-restrictive environment. When determining how services will be delivered to students with disabilities, the Academy will follow all Special Education Rules as issued by the Michigan Department of Education. If a child with a current IEP enrolls in the Academy, the Academy will implement the existing IEP to the extent possible or will provide an interim IEP agreed upon by parents until a new IEP can be developed. IEPs will be developed, revised, and implemented in accordance with the Individuals with Disabilities Education Improvement Act (IDEIA) and state law and regulations.

The Academy will fully comply with federal laws and regulations governing children with disabilities as follows:

- 1. The Academy is responsible** for providing a free, appropriate public education to children with disabilities enrolled in the Academy that have been determined through an IEP to require Special Education programs and services.
- 2. The Academy will ensure that children** who are suspected of having disabilities are properly evaluated by a multidisciplinary team, as defined in the Michigan Special Education Rules, and that children who have already been identified are re-evaluated by the multidisciplinary team at least every three years.
- 3. When a multidisciplinary team determines** that a special education student requires Special Education programs and services, the Academy will ensure that the IEP is fully implemented in accordance with IDEIA and reviewed on an annual basis or more frequently as determined by the IEP team.

Assessments

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

The Academy fully participates in all aspects of state testing and other assessments as required by state statute. The Academy also conducts its own data analysis of student learning by any other proven assessment tools deemed necessary and appropriate. Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) Growth is utilized as a benchmark assessment to determine the use of tiered interventions. Curricular placement assessments, local district common assessments, rubrics for project-based learning portfolios and the Passport program, and structured instructional observations are utilized to measure student growth toward the Michigan Academic Standards and success on the MStep.

In Grades K-3, and as necessary in grades 4-6, the mClass Dibles assessment is used to monitor and support student literacy. The state approved reading assessment can advise on student growth as a reader and can flag students for further screening for reading disorders such as dyslexia. The Academy seeks to analyze reports from different perspectives to maximize the usefulness of information gained from the accountability process. Such analysis may include viewing student-learning results by age groups, grade levels, previous academic experiences, gender, attendance, and any other aspects of the student population that enhances the Academy's knowledge about student learning needs.

A key goal of the Academy's learning measurement process is to provide results of findings and outcomes by way of communication and feedback to students and overall stakeholders. Students, parents, staff, and board members receive published reports of student achievement on an individual and collective basis with the intention of encouraging community ownership of learning outcomes and increased accountability for the teaching and learning practices the school espouses. These practices are re-evaluated on an annual basis to allow for adjustment of techniques, strategies, and other relevant programs with the intention of more significantly affecting learning outcomes. Student assessment and performance data is regularly assessed by teachers and administration to guarantee that all students are receiving the support and instruction necessary to reach academic excellence. The Academy relies heavily upon experienced and well-trained teachers who are constantly aware of individual needs within the classrooms. The Direct Instruction framework and MTSS system allow for precision in differentiation, so teachers are able to readily accelerate or reinforce a student's learning.

Program Evaluation

The Educational Program is formally evaluated on an annual basis. Effective teaching is

essential to the implementation of the Academy's Educational Program. Academy leadership evaluates effective instruction by performing informal and formal teacher observations, explicitly monitoring the fidelity of Direct Instruction delivery, the baseline engagement of project blocks, and the delivery metrics of the Passport rotations. The observations provide a platform for quality dialogue for constructive feedback serving to improve instructional practices. Academy staff also meet with leadership to review school performance. Data is collected and analyzed to determine and monitor school improvement goals.

Leadership and staff routinely monitor assessment data (e.g., NWEA, state assessments, and intermediate benchmarks) to implement needed changes, to ensure adequate growth in all classrooms, and to make necessary adjustments to improve the delivery of the Educational Program. In addition to observations and the examination of data, professional development opportunities and professional learning communities (PLCs) are provided to staff members. Training opportunities—specifically focused on explicit instruction techniques, data-driven grouping, and designing rigorous project-based learning units for the Passport framework—and a professional community of learners enhance instructional practices and provide opportunities of collaboration and cooperation with other teachers to ensure the Academy remains a dynamically reflective educational community.

3.2 The Macomb Montessori Curriculum

Curriculum

Core Knowledge Language Arts (CKLA)

- Overview: CKLA is a comprehensive English Language Arts (ELA) curriculum rooted in the Science of Reading. It is structured around two key strands: Skills (phonics, decoding, and mechanics) and Knowledge (building vocabulary and deep content knowledge across history, science, and literature).
- Standards Alignment: CKLA is 100% aligned with the Common Core State Standards (CCSS) for English Language Arts and fully meets the expectations of the Michigan K-12 Standards for English Language Arts, including the foundational literacy requirements of Michigan's Read by Grade Three law.
- CKLA is also approved by the State of Michigan as meeting the requirements for the "Science of Reading."

Bridges in Mathematics

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Overview: Bridges is a comprehensive PK–5 mathematics curriculum that focuses on developing students' deep conceptual understanding, procedural fluency, and problem-solving skills. It utilizes a blend of direct instruction, structured investigation, and open-ended "Number Corner" daily skills practice, relying heavily on visual models and manipulatives.
- Standards Alignment: Bridges is strictly aligned with the Common Core State Standards for Mathematics (CCSS-M) and seamlessly satisfies the Michigan K-12 Standards for Mathematics, directly addressing both the content standards and the essential Standards for Mathematical Practice.

Studies Weekly (Social Studies and Science)

- Overview: Studies Weekly delivers core social studies instruction through a unique, student-friendly periodical/magazine format combined with a robust digital platform. It introduces young learners to history, civics, geography, and economics using primary sources, citizenship-focused narratives, and integrated informational text strategies.
- Studies Weekly
- Standards Alignment: The curriculum is explicitly tailored to fulfill the Michigan K-12 Social Studies Standards (including state-specific history, geography, and civic mandates) while supporting the informational text reading requirements outlined in the CCSS for Literacy in History/Social Studies.
- Studies Weekly (Science)
- Overview: Lessons are structured around the classic 5E framework: Engage, Explore, Explain, Elaborate, and Evaluate. Every unit kicks off with a real-world, observable phenomenon designed to trigger student curiosity and drive the guiding questions. Instead of a heavy textbook, students receive weekly themed newspapers. They are explicitly designed to be written on, highlighted, cut up for interactive notebooks, and taken home. The curriculum also integrates Lexile-measured informational texts, vocabulary crosswords, and data-analysis activities to hit English Language Arts (ELA) and Math benchmarks simultaneously.
 - Standards Alignment: Studies Weekly Science was built explicitly around the framework of the Next Generation Science Standards. Independent reviews (including evaluations using the EdReports rubric and the NGSS Lesson Screener Tool via CSA Education) have rated the curriculum exceptionally high for standards compliance. Michigan adopted the Michigan Science Standards (MSS), which are directly adapted from the Next Generation Science Standards. Because of this 1:1 structural mirroring, Studies Weekly's deep integration of NGSS aligns cleanly with Michigan's mandates.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

3.5 Field Trips

The Academy supports field trips as meaningful extensions of classroom learning, aligned to curriculum and approved in advance by school leadership. In accordance with Board Policy 2340, any trip that involves overnight travel, goes out of state, or exceeds 100 miles requires prior approval from the Academy Board of Directors. All other trips must be approved by the Educational Service Provider.

Written parental or legal guardian permission is required for all students attending a field trip. Parents may sign a blanket permission form for local (walking-distance) trips. A separate form will be required for each trip involving travel. For these trips, teachers will inform parents of key details such as destination, departure and arrival times, lunches, spending money, and any special rules. Emergency Medical Authorization forms must be on file and will be carried by staff on all trips.

A minimum of one adult chaperone per ten students is required, with adjustments based on age, activity, or the nature of the trip. Student/adult ratios may vary if safety considerations warrant additional supervision. Chaperones must meet the school's volunteer requirements.

While on a field trip, students are expected to follow all Academy rules and the Code of Student Conduct. Students who disobey school rules, defy teacher authority, or who have demonstrated documented behavior that is aggressive, harassing, or intimidating at any time during the school year may be denied participation at the discretion of the School Leader in consultation with the teacher(s) leading the trip.

Students are expected to follow Academy rules and pay for any costs incurred. Parents who cannot afford such costs for their child's participation are encouraged to contact the School Leader; students will not be denied participation due to financial hardship. Parents will always receive advance notice of field trips.

Students who do not attend the field trip are required to attend school, where they will be provided with alternative learning opportunities during the school day.

Transportation will follow all Board-approved policies.

3.6 Report Cards / Progress Reports / Conferences

For students to be prepared and ready for instructional activities, students will be expected to be at school on time, to have completed homework assignments, and to

[RETURN TO TABLE OF CONTENTS](#)

have proper instructional materials with them. Teachers will provide parents with a list of supplies needed for each class.

3.6.1 Report Cards

At the end of the first and second grading periods, parents must meet with the child's teacher to receive a progress report on the child's academic, behavioral, and citizenship progress. Parents must sign the report card at the conference and will receive a copy. Parents are encouraged to discuss the information on the report card with their child and to encourage excellence in achievement and behavior. The purpose of report cards is to communicate to parents and students the child's progress on the knowledge and skills the student is working on in class and to provide insight into the child's behavior.

3.6.2 Progress Reports

Academic reports for all students are distributed in December, March and June.

3.6.3 Parent Teacher Conferences

Every elementary learning environment educator will arrange at least one planned conference with each child's parent(s)/guardian per year. It is understood that educators shall, if necessary, arrange additional conferences with parents. Conferences with educators must be scheduled during non-instructional time.

3.7 Retention

3.7.1 K-12 Literacy and Dyslexia Law

At our school, students in Kindergarten through 3rd grade take state-approved reading assessments three times a year to track their literacy growth. These assessments help us identify students who may need additional support. If your child is not meeting grade-level expectations, you will be notified in writing. When a reading concern is identified, your child will receive an Individual Reading Improvement Plan (IRIP). This personalized plan outlines the specific support your child will receive during the school day and includes activities and strategies you can use at home. You will be involved in developing the IRIP and kept informed of your child's progress through regular updates. Reading support is tailored to your child's needs and may include small group or one-on-one instruction using proven, evidence-based methods. We value partnership with families and encourage open communication. You are welcome to request a meeting at any time to discuss your child's reading progress or the interventions in place.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Starting in the 2027–2028 school year, all Michigan schools will screen students in Kindergarten through 3rd grade for signs of dyslexia. If characteristics of dyslexia are identified, your child will receive reading intervention that is explicit, systematic, multisensory, and aligned with the science of reading. For students in grades 4 through 12, screening will occur when there is evidence of characteristics of dyslexia or a dyslexia diagnosis. If screening confirms characteristics of dyslexia, students will receive targeted intervention using structured literacy approaches. Instruction will be adapted to meet each student's needs to ensure reading success.

Families play a vital role in supporting literacy development. If your child has been evaluated for dyslexia or a learning disability outside of school, please share that information with us. That information can help guide how we support your child. Additionally, students who qualify may receive services under federal special education law, including the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act.

3.7.2 Other Types of Retention

Retention may also be suggested if your student:

1. Has excessive absences and tardies that are having a negative impact on the student's academic progress;
2. Is not making necessary academic gains as defined by the school staff.

In recommending retention, the student's well being, emotional maturity, social skills and other factors will all be considered. The school will notify parents, as early in the school year as possible, that retention is a possibility in order to develop an intervention plan.

3.8 Homework

Homework is a necessary and integral part of a child's education. The purpose of homework is to reinforce those skills and concepts taught in the learning environment. Homework also includes work not finished during class time. Parental support and cooperation are very important in this area. Helping students with their homework shows you are interested in their education. A request for homework for a child that is ill should be made the first morning the child is absent. This will allow time for the educator to organize the materials. Homework may be picked up in the office the following school day morning.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

3.9 Student Portfolios

Your child's teacher will work with your child to compile a portfolio of his or her work throughout the year in all academic and interest areas. The portfolio will provide a documented record of your child's developing knowledge base, skills, and work quality.

3.10 Testing and Assessment

The Academy administers state-mandated assessments at grades 3rd-8th. The Academy also administers a computer-based adaptive assessment in math and reading three times a year in grades K-8, as a requirement of our authorizer and charter contract. This enables us to more effectively and accurately monitor the growth and identify the needs of our students. The results of the state assessment test, and the computer-based test, are used to guide instruction, target individual student needs, and assist in the improvement of curriculum and instruction. Parents and guardians will be sent individual scores of their children when they are available. Test scores will be included in the child's cumulative folder.

3.11 Social Emotional Learning Program

Our school is committed to fostering the social and emotional well-being of all students. We believe that developing strong social and emotional skills is crucial for academic success, healthy relationships, and overall well-being. Our comprehensive SEL curriculum focuses on building self-awareness, self-management, social awareness, relationship skills, and responsible decision-making. We integrate SEL into our daily learning environment through dedicated lessons, activities, and by incorporating SEL concepts into various subjects. We believe that a positive and supportive learning environment is essential for students to thrive, and we encourage open communication and collaboration between students, teachers, and families to ensure that all students have the tools and support they need to succeed.

3.12 Character Choices Program

We believe strong character is essential to student success. Our Character Choices program focuses on nine core traits: Respect, Responsibility, Cooperation, Compassion, Good Judgment, Integrity, Perseverance, Courage, and Citizenship.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

These traits are modeled, taught, and reinforced throughout the school day and embedded in classroom routines, academic instruction, and school culture. Families are encouraged to support these values at home to strengthen consistency and impact.

Whether through direct lessons, restorative practices, or daily interactions, Character Choices helps students grow into thoughtful, responsible individuals, prepared for school, life, and leadership.

4. Student Support Services

4.1 Special Education and 504 Plans

The Academy to provide appropriate educational programs for children who are identified with disabilities and who have an approved Individual Educational Plan (IEP). The Academy embraces the instructional practice known as inclusion. When the IEP calls for pullout services, the student will be permitted to leave the classroom to work with a properly trained professional special educator. The goal of special education programming is to provide students with an educational program that best meets their individual needs in the least restrictive environment. This means that, to the maximum extent appropriate, students will be provided programs and/or within the regular education classroom with the necessary support.

The Academy enjoys an excellent working relationship with the local intermediate school district, Macomb Intermediate School District. The Macomb Intermediate School District provides a parent resource center which provides parents with comprehensive resources on rights of the disabled, responsibilities of the school, support systems for parents and children, and educational programs available.

If you have concerns about your child's progress, arrange to speak with your child's teacher. For further information on all special education services and programming, contact the school leader.

4.2 Child Find / Academic Interventions

The objective of the Academy is to ensure that the child receives the instruction, support, and services needed to succeed in school. It is the Academy's intention to:

- Engage first in preventative and targeted instruction and intervention
- Design and conduct comprehensive evaluations that identify each student's individual learning needs, ensure proper implementation of Child Find, and

[RETURN TO TABLE OF CONTENTS](#)

determine the most appropriate instructional programs and accommodations based on the student's performance, educational opportunities, and response to high-quality instruction over time.

- Select every component of the evaluation based on its relevance for creating the student's instructional program.

Consistent with the mandates in IDEA 2004, a comprehensive evaluation includes:

- A variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the child (Sec. 300.304(b)(1))
- An observation of the student in the learning environment, including the regular classroom setting (Sec. 300.305(a)(1))
- Determination that underperformance is not primarily the result of a visual, hearing, or motor disability; intellectual disability; emotional disturbance; cultural factors; environmental or economic disadvantage; or limited English proficiency (Sec. 300.309(a)(3)(i-vi))
- Determination that underperformance is not primarily the result of a lack of instruction, i.e., student performance data indicating that the student (a) was provided appropriate instruction in regular education settings delivered by qualified personnel (Sec. 300.309(b)(1)), and (b) received repeated assessments of achievement at reasonable intervals (Sec. 300.309(b)(2)), to ensure that underachievement is not due to lack of appropriate instruction. Additionally, consideration should be given to whether the student's attendance has significantly limited their access to instruction, as chronic absenteeism is strongly correlated with reduced academic achievement.

Also consistent with IDEA 2004, the Academy believes that:

- The determination of a specific learning disability must be made by the child's parents and a team of qualified professionals (Sec. 300.308)
- Parents must be provided with the results of repeated assessments of achievement (Sec. 300.309(b)(2))
- For students participating in a Multi-Tiered Systems of Support (MTSS) program, parents must be notified about their state's policies about the collection of student performance data, strategies for increasing the child's rate of learning, and their right to request an evaluation (Sec. 300.311(a)(7)(ii))
- The MTSS process must not be used to delay or deny an evaluation but should offer data, both academic and behavioral, to help problem solve and analyze issues regarding learning and help inform the development of effective instructional plans for students found to have a Specific Learning Disability (SLD)

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Evidence of a pattern of strengths and weaknesses in performance, achievement or both should be included, and must be designed to help guide the development of the child's instructional program.

MTSS records can indicate whether or not the child (a) achieves adequately for age or grade level when provided with appropriate instruction, and (b) makes sufficient progress to meet age or grade level standards based on the child's response to scientific, research-based intervention. Evidence that the student is improving when provided with general education interventions indicates that the student is not in need of special education services, a requirement for placement in special education.

4.3 English Language Learner (ELL) Services

The school is committed to supporting English Learners (ELs) as they develop proficiency in English while accessing grade-level academic content. In accordance with federal Title III guidelines and the Michigan Department of Education's English Learner policies, the following procedures and supports are in place:

All students enrolling in the school complete a Home Language Survey (HLS) as required by the State of Michigan. If a language other than English is indicated, students are screened for English language proficiency using the WIDA Screener (Grades 1–12) or WIDA MODEL for Kindergarten.

Students identified as English Learners receive instructional support based on their English Language Proficiency (ELP) level. Services may include:

- Designated English Language Development (ELD) instruction
- Push-in or pull-out support from an ELL specialist or trained staff
- Use of appropriate language accommodations and instructional technologies
- Ongoing collaboration between general education and ELL staff

The amount and type of support is determined by each student's ELP level, academic needs, and classroom context.

The school reviews ELL program implementation annually and ensures compliance with Civil Rights obligations, Title I and Title III funding requirements, and MDE guidelines.

4.4 McKinney-Vento Homeless Education Assistance

The Academy is committed to supporting all students, including those experiencing homelessness. In accordance with the McKinney-Vento Homeless Assistance Act, students who lack a fixed, regular, and adequate nighttime residence have the right to:

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

- Immediate enrollment, even if records are unavailable at the time of registration.
- Attend their school of origin or the school nearest to their temporary home.
- Receive support services, including access to free school meals and school supplies.
- Full participation in all school programs and activities.

If your family is experiencing housing instability, please contact the school's Homeless Liaison Mrs. Chanee Simely or support and assistance at (586) 359-2138. All information shared will remain confidential.

5. Dress Code and Appearance

5.1 General Dress Code Guidelines

Items can be found at Mr. Allen's, JCPenny, Sears, Wal-Mart, Target, Rainbow, Old Navy, Forman Mills and other local retailers.

General attire for GIRLS K-6:

- Pants – navy or black slacks (no cargo pants)
- Shorts, Jumpers, Skirts and Skorts -navy or black (no shorter than 2 inches above knee)
- Blouse, turtlenecks, polo shirts, cardigans, sweaters- light blue, navy or white (short or long sleeve and no logos)
- Tights – white, navy or black
- Shoes - dress or tennis shoes.

General attire for BOYS K-6:

- Pants - navy or black slacks (no cargo pants)
- Shorts - navy or black
- Button-ups, dress shirts, turtlenecks, sweaters, cardigans polo shirts –light blue, navy or white (short or long sleeve and no logos)
- Shoes - dress or tennis shoes.

Additional guidelines for ALL STUDENTS:

- Macomb Montessori Academy school shirts may be worn with jeans for FREE each Friday.
- Shirts must be neatly tucked into slacks. No T-shirts allowed unless it is a Macomb Montessori Academy school shirt on Friday.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Hats, visors, bandanas, hoodies and sunglasses are not permitted.
- Jewelry - one earring per ear is permitted for boys or girls. Earrings cannot hang longer than one inch below the ear lobe.
- Tattoos or facial piercings need to be removed or covered.
- Shoes with wheels are not allowed.
- Bracelets (bangles), watches, chains, rings, chokers or necklaces should not be distracting or overly chunky.
- Hair should be clean and maintained.

Dress should allow students to participate comfortably in a variety of physical and outdoor activities. Clothing should cover the body adequately and should not be distracting or ill fitting. Students who come to school inappropriately dressed will need to contact their parent/s. It is our expectation that a proper change of clothing will be provided if requested.

The dress code policy will be enforced for all students in grade levels kindergarten through sixth. The following procedure will be used for dress code violations:

- 1st Offense - Verbal warning and written communication with parent or guardian.
- 2nd Offense- Follow up with parents with a parent meeting.
- 3rd Offense- Follow up with parents and School Leader with a meeting.

Students should be neat, clean, and presentable for school. Clothing is to be a proper fit for the child and must be properly worn (i.e. regular floor length pants, worn at waist level and not excessively baggy). Clothing is to be clean, without holes, and in good condition. Shoes must be worn at all times. Buttons, patches, pins, or other accessories that are considered offensive and disruptive (sexually suggestive, profane, obscene, tobacco or alcohol advertisements, etc.) are not permitted. Sunglasses, hats, coats, and jackets may be worn outdoors only. Parents are urged to see that their children are properly dressed for inclement or cold weather. Students do not go outdoors if the temperature is below 20 degrees Fahrenheit (wind chill factor).

5.2 Spirit Day / Jean Day Policies

Macomb Montessori Academy school shirts may be worn with jeans for FREE each Friday.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

6. Health and Safety

The health and wellness of our students is a top priority. Families are expected to partner with the school to ensure a healthy and safe environment for all students.

6.1 Illness and Injury Guidelines

Students who are ill must remain at home until they are symptom-free for 24 hours without the use of medication. This includes fever, vomiting, diarrhea, or any contagious condition. Parents and guardians should notify the school office when a student is absent due to illness. The school may require a doctor's note for return in cases of communicable diseases.

The school does not have facilities to care for the children when they are sick. If your child becomes ill while at school, you will be notified using the information you provided on your Child Information Card. Please have a plan so that you, or your emergency person, will be able to pick your child up promptly if necessary. Children should not attend school when the following conditions are present:

- Temperature above 100 degrees.
- Unusual drowsiness, excessive sleep or the child appears ill.
- Vomiting two or more times in a 24-hour period.
- Three or more loose or watery bowel movements in a 24-hour period.
- Body rash with fever.
- Severe cough or difficulty breathing.
- Red swollen eyes or pus draining from eyes.
- Open areas on the skin
- Ringworm, lice, or pinworm.
- Any other confirmed communicable illnesses

6.2 Medications at School

Medications will only be administered at school with written authorization from a parent or guardian and, where applicable, a physician, in accordance with Board Policy 5330. Emergency medications (e.g., EpiPens, inhalers) must be provided directly to the school office in their original containers, accompanied by all required medical documentation.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

6.3 Immunization Requirements

In accordance with Board Policy 5320 and state law (MCL 333.9201 et seq.), all students must provide documentation of up-to-date immunizations or an authorized waiver prior to enrollment or by the first day of school. Acceptable documentation includes an official immunization record, a physician-certified medical contraindication form, or a certified nonmedical waiver issued by the local health department following a vaccine education session. Students without proper documentation may not attend school until requirements are met. When providing health information to families in grades 6, 9, or 12, schools will also include information about the meningococcal and HPV vaccines.

6.4 Physical & Mental Well-being

Our school is committed to supporting the physical and mental wellness of every student. In alignment with Board Policy 8510, we provide age-appropriate opportunities for physical activity throughout the day, including physical education, recess, and movement-based classroom activities. Students are encouraged to develop healthy habits that support lifelong wellness, such as regular exercise, balanced nutrition, and responsible screen use. Our physical education program emphasizes fitness, motor skill development, teamwork, and a positive attitude toward physical activity. We also promote nutrition education and provide clean, safe eating environments with access to fresh drinking water. Families are vital partners in reinforcing these wellness habits outside of school. Together, we aim to support the whole child physically, mentally, and emotionally.

To further support student wellness, we offer access to the School Assistance Program (SAP) through a partnership with Pine Rest Mental Health Services. This program provides free, confidential counseling with up to five sessions per episode of care for students and their household members. Counseling is available for a wide range of challenges including academic stress, anxiety, grief, and family transitions. In-the-moment phone support is available 24 hours a day, 7 days a week.

In addition to counseling, SAP offers families access to:

- Personal Advantage, an online library of articles and tools on health, wellness, legal, and financial topics.
- Wallet Wisdom, a financial wellness resource with calculators, webinars, and planning tools.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Free consultations on elder care, financial planning, legal concerns, infant feeding, and real estate questions.

All SAP services are voluntary and confidential. The school is not notified when students or families use the program. Participation in SAP does not affect a student's school record or academic standing.

To access SAP,

- Call 800.442.0809
- press 1, and follow the prompts.
- When prompted, say: "I have a SAP with [Insert School Name]."

You can also visit www.pinerest.org/PAL and enter your school-specific username.

We encourage families to use this resource to promote mental well-being, strengthen family resilience, and support student success.

6.5 Concussion Awareness

In accordance with Michigan law, the Academy provides annual concussion awareness education to families of students participating in any school-sponsored athletic activity.

Before participating, students and their parent/guardian must review a concussion information sheet and sign an acknowledgment form. These forms are kept on file with the school. Coaches and school staff are trained to recognize concussion symptoms and follow proper return-to-play procedures.

If your child is injured during a school activity, we are committed to their health and recovery and will follow all return-to-learn and return-to-play protocols.

6.6 Emergency Contacts / Child Information Card

Each year, families must complete and return an Emergency Medical Authorization Form and Child Information Record. These documents provide critical contact information and medical directives in the event of illness, injury, or emergency. It is the parent or guardian's responsibility to keep this information accurate and up to date throughout the school year. A copy of the form will be maintained in an accessible file in the school office. Staff accompanying students on off-site events, such as field trips, athletic events, and competitions, are required to carry these emergency forms. Please notify the school

immediately of any changes in phone numbers, emergency contacts, or medical conditions. Failure to provide updated information may delay emergency care.

6.7 Student Accident Insurance

The Academy cares deeply about the safety and well-being of all students. At the start of each school year, families are given the option to enroll in a group student accident insurance plan offered through an outside provider. This insurance is voluntary and paid for by the parent or guardian.

Participation in certain school-sponsored athletic, co-curricular, or other higher-risk activities may require families to confirm that the student is covered under an existing insurance policy or to purchase supplemental accident insurance. A signed statement of coverage may be required before a student is allowed to participate in those activities.

Information about available student accident insurance options, including how to enroll, is available in the school office.

6.8 Pesticide Use & Prior Notification

The Academy utilizes an Integrated Pest Management (IPM) approach to control pests. IPM is a pest management system that utilizes all available and appropriate techniques to attain the goal of preventing pests from reaching unacceptable levels or to reduce an existing population to an acceptable level. Pest management techniques emphasize pest exclusion and biological controls. However, as with most pest control programs, chemical controls may also be utilized at our facility.

This notice has been provided in compliance with MCL324.8316. We are also required to notify you of your right to review the IPM Plan and IPM records. View the [Prior Notification Request form here](#).

6.9 Asbestos Management Plan

As per AHERA (40CFR 763.80) Rule, the Academy is required to notify all students, staff, guardians, outside contractors, and community members of the availability of the AHERA Management Plan for their inspection and review. A copy of this plan is available at the school office for your review during normal business hours or on the schools transparency website located on their school website. Periodic (6 month) inspections are performed by properly trained staff members. At this time there are no planned asbestos

abatement activities for the upcoming year. Should the need for abatement arise, all building occupants and their guardians will be notified in writing in advance.

6.10 School Safety and Emergency Procedures

The Academy places safety as a high priority. We have many proactive strategies in place that are not only aligned with the law, but are also nationally known best practices.

6.10.1 Standard Emergency Response Plan

To protect the safety of students and staff during emergencies, our school uses the Standard Response Protocol (SRP), a nationally recognized framework developed by the “I Love U Guys” Foundation. SRP is a clear, action-based emergency response model designed to equip schools with consistent terminology and procedures for addressing a range of incidents, including weather events, accidents, intruders, and hazardous conditions.

The SRP provides five specific directives that guide our response to different types of emergencies. These actions are easy to learn, simple to follow, and universally understood within the school community. They are reinforced through routine training and drills throughout the school year.

These five (5) actions are used when SRP is initiated:

HOLD - In your classroom or area
Protocol used when hallways need to be kept clear of occupants.

SECURE - Get Inside. Lock Outside Doors
Protocol used to safeguard people within the building.

LOCKDOWN - Locks, Lights, Out of Sight
Protocol used to secure individual rooms and keep occupants quiet and in place.

EVACUATE - Evacuate may be followed by a location, and is used to move people from one location to a different location in or out of the building.

SHELTER - State the hazard and the safety strategy for group and self-protection.

All staff receive annual SRP and Emergency Operations Plan training. Students participate in required safety drills including lockdown, evacuation, and severe weather

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

scenarios, in full compliance with state law and Board Policy. These efforts ensure that everyone on campus knows how to respond appropriately in various situations.

In the event of an emergency, families will be notified promptly through our automated messaging system by phone, text, and email as quickly as it is safe and practicable to do so. Should relocation or extended response procedures be necessary, instructions will be shared clearly and promptly. The SRP strengthens the school's overall emergency preparedness by providing a reliable and unified language and approach to safety for staff, students, and families. See 6.10.4 for specific lockdown drill information.

6.10.2 Fire and Tornado Drills

Fire and tornado drills are regularly scheduled to educate students in safe practice in case of an emergency. The teacher will review rules of safety and evacuation routes with students. Evacuation routes and tornado watch locations are posted in each classroom and area of the Academy. The teacher or person responsible for a group of students will take attendance to determine the presence of all students who are in attendance on that day. Students and staff will return to class when the teacher is given approval via verbal or hand signaling by the School Leader or school secretary.

6.10.3 Tornado Emergencies

Students will not be dismissed from school when there is a tornado watch, warning, or actual tornado. During a tornado watch, students will remain inside the building in designated areas, local radio stations will be monitored, and staff will take safety precautions. Students will be released to their parents or guardians, or designated adults as requested. During a tornado warning or tornado, all students and staff members will remain in the building. Everyone will take shelter in designated areas and will follow outlined safety precautions. Students may be detained beyond the usual dismissal time. Parents and guardians who have come to the school to pick up students are encouraged to stay at school until the tornado warning or tornado has passed and safe conditions prevail. Out of respect for parental responsibility for their children, a student will be released to parents and guardians only.

6.10.4 Lock Down Drills

In compliance with Michigan law and in partnership with local law enforcement, the school conducts a minimum of three (3) lockdown drills each school year to prepare students and staff for emergency situations that may involve an intruder or other threat to building security.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

Lockdown drills are designed to practice procedures that help keep students and staff safe in the unlikely event of a real emergency. These drills focus on:

- Securing classroom doors and limiting visibility
- Remaining silent and out of sight
- Following directions from school personnel and first responders
- Practicing calm, orderly behavior under stress

Drills are age-appropriate and developmentally sensitive. Teachers are trained to communicate the seriousness of the drill while helping students feel safe and supported. Staff are encouraged to review and practice safety procedures in advance with students.

We understand that lockdown drills can be unsettling for some students. Teachers and support staff are available to answer questions and provide reassurance. If your child experiences anxiety related to safety drills, please contact the school so that additional support can be offered.

If a real lockdown occurs, parents and guardians will be notified as soon as it is safe to do so through official communication channels. In such events, parents and guardians should not attempt to enter the building or call staff directly. The safety and accountability of all students depend on uninterrupted emergency protocols.

7. Nutrition and Wellness

7.1 School Meals Program

Our school participates in the National School Lunch Program and School Breakfast Program which ensures access to nutritious meals for all students. Our schools participate in the Community Eligibility Program (CEP), which allows us to offer free meals to each student. Children are required to bring a nutritious lunch daily or they may participate in daily hot lunch at school.

- Breakfast and lunch are available daily, free of charge to all enrolled students.
- Menus are available at the front office and may be emailed.
- Please bring lunches that do not require warming in a microwave oven.
- Students with food allergies or medical dietary restrictions must have a completed and physician-signed dietary accommodations form on file with the school office. Accommodations cannot be made without this documentation.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Outside food deliveries (such as DoorDash, Uber Eats, or fast food) are not permitted for students during the school day, including lunchtime. This policy exists to support food safety and minimize classroom disruption.
- Meal times are structured to build student independence and foster respectful, community-centered behavior. Students are expected to clean up after themselves, practice good manners, and follow staff directions at all times.

Please contact the front office with any questions regarding meal service, accommodations, or application assistance. We are committed to ensuring all students have access to safe, healthy meals in a welcoming environment.

Nutrition is taught in each class and we believe it should be reinforced in the child's home environment. Children should be encouraged to help pack their own lunch using food from the four major food groups, thus learning the importance of nutrition in their daily diet. Please pack items your child likes. This is not the time to introduce new foods. Always keep in mind how big your child's appetite really is and pack accordingly.

Good nutrition is an important aspect of mental and physical well-being. We offer the following suggestions as a helpful guideline:

- Please pack a nutritious lunch which your child likes and will eat. This should include a main course, drink, snack and healthy dessert (whole grain muffin, fruit, yogurt).
- We strongly suggest white milk, pure fruit juice or water as a beverage. Pop and high sugar energy drinks may not be sent to school.
- Offer a variety of dips and spreads for raw veggies, cheese spread for crackers or bread sticks. Children enjoy handling food.
- Keep sandwiches interesting by varying bread: white, wheat, pita, buns, bagels and muffins. Try cutting sandwiches into interesting shapes.
- Try raw cucumbers, celery, cherry tomatoes, carrots or green peppers.
- Try fresh, canned or dried fruit: apples, bananas, plums, oranges, melon, berries, pineapple, raisins, apricots, fruit cocktail, etc.
- Please include napkin, silverware, paper plate, etc., daily.
- Use containers with tight lids so that leftovers can be sent home. This is your best judge to know if you are packing too much or sending items your child does not like.

Your child's name should appear on the inside and outside of their lunch box and thermos. All containers and utensils should be included and labeled. A cold pack should be put in the lunch box to keep items cold and healthy until eating time.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

All suggestions are to benefit your child's health and safety, ensuring an enjoyable dining experience for everyone.

7.2 Snacks

The Academy is committed to promoting student wellness and supporting healthy eating habits during the school day. Students may bring a small, nutritious snack from home to eat during designated times. Snacks should be manageable in portion and promote focus and learning. Water is the preferred beverage; non-carbonated drinks are permitted. Soda and energy drinks are not allowed. In accordance with Board Policy 8510, all food and beverages that are provided on campus during the school day, including those brought for classroom snacks, birthday treats, or holiday celebrations, must comply with the food and beverage standards approved by the Educational Service Provider. Students are not permitted to share food, as this helps protect students with food allergies and sensitivities. Families should follow any posted classroom allergy guidelines. If your child has food allergies or dietary restrictions, please notify the school and ensure this information is recorded on the Child Information Card. These practices help support a safe, healthy, and inclusive environment for all students.

7.3 Birthday Snacks and Holiday Celebrations

In the Montessori classroom, we have a wonderful tradition of celebrating the child's birthday. This celebration is called "Walk Around the Sun" or "Timeline of Life." The Walk Around the Sun/Timeline of Life allows us to focus attention on their growth and development while giving your child a sensorial impression of how time has passed since their birth.

You and your child will share a birth picture and one picture from each year of their life and mount each picture on a special card/board. Older students will write one sentence about each picture. On the day of your child's birthday celebration, the timeline will be displayed so other students can look at it throughout the day. The actual celebration usually takes place near the end of the day.

Should you choose to provide a special snack on your child's birthday, please speak to your child's teacher to ensure the birthday treats are consistent with our school's nutrition policy. Some examples in lieu of cupcakes, brownies, or other high sugar treats are fruit kabobs, muffins, fruit juice bars, healthy popsicles, fruit salad, popcorn, crackers and cheese, whatever is your child's favorite healthy snack. High sugar foods will not be

shared with the group. **Parties, balloons, sweets, and favors are reserved for out of school celebrations.**

7.4 School Wellness Policy

The Academy promotes student health and wellness in accordance with Board Policy 8510 – School Wellness Policy. This Board-approved policy supports healthy eating, nutrition education, and regular physical activity through measurable goals and school-wide practices. All foods and beverages made available on campus during the school day, including classroom celebrations, must meet the nutrition standards established by the Board and aligned with USDA guidelines. The policy also encourages parent, guardian, and community participation in the development, implementation, and periodic review of wellness practices.

8. Arrival, Dismissal, and Transportation

8.1 Student Drop-off and Pick-up Procedures

The Academy's arrival and dismissal procedures are designed to ensure the safety and efficiency of student transitions to and from school each day. All students, parents, and staff are expected to follow the established guidelines, including designated drop-off and pick-up locations, traffic flow patterns, and supervision requirements. Families are responsible for ensuring that students arrive on time, prepared for learning, and are promptly picked up at the end of the day. Courteous and respectful behavior is expected from all individuals during these times to maintain a positive and orderly environment. Specific details regarding arrival and dismissal expectations, along with any disciplinary consequences for repeated violations, can be found in the Code of Student Conduct.

8.2 Early Dismissal and Vacation Request

Early Dismissal Requests

The student may need to leave school during the school day. The parent is to receive approval of the School Leader in advance by written or personal request for a justifiable reason, including such early dismissals for doctor's appointments, religious observations, family funerals, and other prearranged events. Students will only be released to parents and designated adults. In child custody situations, the custodial parent must properly

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

inform the School Leader of any limitations. Excessive early dismissals will be viewed similarly to tardies.

Vacations

The school discourages the practice of taking family vacations on school days or during times other than regular school vacation periods. If a student will be out of school for a family vacation, they will be responsible for making up any work upon returning. When you must schedule a family trip during Academy time, contact your School Leader at least one (1) week in advance to discuss how your child will complete missed assignments. Time given for completion of make up work is (1) day for every day absent.

8.3 Transportation

Parents are responsible for transportation of their children to and from school, if the school does not provide transportation. Parents dropping off or picking up their children are reminded to pay close attention to movement of students and vehicles in the parking area. The Handbook and Code of Conduct rules extend to the bus and any school sanctioned event on or off campus. Students are under the authority of the bus driver while they are on the bus. The driver is to enforce this Handbook and Code of Conduct and report all student behavior problems to the school leader who will be responsible for disciplinary action. Failure to follow this Handbook and Code of Conduct while on the bus may result in termination of the privilege of riding the school bus, in addition to other appropriate disciplinary actions.

9. Technology and Internet Use

9.1 Student Acceptable Use of Technology Policy

Students are encouraged to use the Academy's computers, network, devices, applications, and internet access for educational purposes under staff supervision. Students must complete a mandatory training session/program before using Academy Information & Technology Resources and/or being assigned a school email address, in accordance with AG 7540.03 and 7540A. Before being granted access to Academy technology resources or a school-issued email account, students and their parent or guardian must also sign the Academy's Acceptable Use Agreement. These tools support learning, creativity, communication, and research. Use of technology resources is a privilege, not a right, and students are expected to act responsibly, ethically, and legally at all times.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Unauthorized or inappropriate use, including violations of this policy, may result in loss of technology privileges, disciplinary action in accordance with the Student Handbook, and/or legal consequences. Students will receive instruction on the responsible use of Academy technology resources and must sign the Academy's Acceptable Use Agreement before accessing Academy technology resources or receiving a school-issued email account. Parents and guardians are encouraged to discuss responsible technology use with their children and reinforce the expectations outlined in this policy. Students should make choices that reflect both their family's values and the Academy's standards.

The Academy's technology systems, including student use of personal communication devices (PCDs) when on school property, at school events, or connected to school systems, rely on users following the guidelines below.

Students must comply with all Academy-established cybersecurity and acceptable use procedures.

A. GENERAL TECHNOLOGY USE GUIDELINES

- Students must use Academy technology for academic purposes only.
- Internet use must relate to learning, assignments, or approved educational activities.
- Recreational use—such as gaming, streaming, or social media browsing—is not allowed.
- Students may only use their own accounts. Sharing or using another person's username or password is prohibited.
- Students are responsible for the physical condition of devices issued to them. Devices must be returned in good condition, and any damage or loss must be reported immediately. Devices may not be repaired independently.
- Accessing, changing, or deleting others' files or impersonating other users is not permitted.
- Students may not use school devices or networks for illegal actions, including:
 - Hacking or bypassing security systems
 - Piracy or copyright infringement
 - Harassment, threats, or stalking
 - Distributing obscene or explicit content (including sexting)
 - Selling drugs or other illegal goods

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Students may only access social media platforms for educational purposes as part of a documented lesson plan or written teacher assignment. Any use outside of these parameters will result in the suspension of privileges.
- Content or activities that violate state/federal laws or school policy are prohibited.
- Using school technology for personal gain, product sales, or political campaigning (unless directly tied to coursework) is not allowed.
- Students with disabilities who qualify for a Section 504 or Individualized Education Program (IEP) will receive accommodations in accordance with their Section 504 plan or IEP. Accommodations are determined by the student's IEP or Section 504 team in accordance with the [Americans with Disabilities Act \(ADA\)](#) and Section [504 of the Rehabilitation Act](#).
- All technology platforms used must be vetted for [SOPPA](#) compliance, including verification that vendors do not sell student data, use it for targeted advertising, or build student profiles beyond educational purposes.
- Parents/guardians may request activity summaries, content filtering categories, or opt out of well-being AI monitoring. Requests should be submitted in writing to the school administrator.

B. NETWORK ETIQUETTE

- All digital communication must be polite, respectful, and school-appropriate.
- Offensive, obscene, or abusive language is strictly prohibited.
- Students may not share personal information (e.g., phone numbers, addresses, passwords) without parent and teacher approval.
- Never agree to meet anyone contacted online without guardian permission.
- Students should manage their inboxes by deleting unneeded messages regularly.
- Any message that is inappropriate, threatening, or uncomfortable, especially with sexually explicit content, must be reported immediately.
- Students and staff are discouraged from accessing school systems from personal home devices due to security risks.
- Use of school systems must comply with all district content filtering and monitoring protocols, and students may not attempt to bypass them.

C. PROHIBITED CONTENT

Students may not use Academy networks or devices to view, send, post, or share content that includes:

- Cyberbullying — repeated and hostile online behavior such as:
 - Spreading rumors or insults online
 - Sending harassing or threatening messages

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Sharing embarrassing or explicit photos/videos
- Posting misleading or altered images to cause harm
- Inappropriate material — including:
 - Pornographic, explicit, or obscene content
 - Hate speech or discriminatory messages
 - Graphic violence not related to schoolwork
 - Content promoting illegal activity or self-harm
 - False or defamatory claims about others
 - Commercial or for-profit advertisements (exceptions may apply for class projects)
 - Political lobbying not connected to academic assignments
 - *Note: Expressing views to elected officials is allowed and not restricted.*
- The Educational Service Provider may temporarily or permanently unblock educational content that was mistakenly filtered. All unblocking requests must be submitted using the designated form, include a documented educational purpose, and be approved by the supervising teacher and the Web Accessibility Coordinator. All decisions will be logged and reviewed quarterly. If a request is denied, the requesting staff member may appeal to the School Leader, whose decision is final.
- All filtering decisions must comply with the [Children's Internet Protection Act \(CIPA\)](#), and requests to unblock content must include a documented educational purpose.
- Temporary access to blocked educational content may be requested by submitting a justification form. Access requires approval by a teacher and administrator, with all requests logged and reviewed quarterly.
- Instructional content that includes sensitive or mature material must have a clear academic purpose, be appropriate for the students' age and developmental level, and receive prior written approval from the Superintendent.

D. COPYRIGHT AND DOWNLOADING

- Students must respect copyrights and cite all sources appropriately.
- Plagiarism, including copying online content without credit, is prohibited.
- Downloading to school hard drives is not allowed. Files may be downloaded to approved storage devices only with teacher supervision.
- All downloaded files must be scanned for viruses.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Students who create innovative tech projects should share them with the School Leader for possible recognition and to address ownership rights when hosted on school servers.
- All student use of copyrighted materials must follow fair use guidelines.
- Copyright violations or unauthorized use of subscription-based platforms will result in consequences aligned with academic dishonesty policies.

E. ONLINE COMMUNICATION

- Students must have staff approval to use group emails, forums, chats, or similar platforms.
- Unauthorized use of private messaging apps or chat rooms is prohibited.
- All communication through school platforms must follow school policies.
- Personal emails cannot be sent or received using school accounts or systems.
- Students are expected to use communication platforms that are accessible and compliant with district accessibility standards.

F. PRIVACY AND MONITORING

- Students have no expectation of privacy when using Academy devices or networks. All activity may be monitored. Parents/guardians may request activity summaries with reasonable notice, which will be provided in redacted form to protect other users' confidentiality.
- The Academy may monitor all files, emails, websites, and communications for compliance purposes; however, all data collection, use, and disclosure must align with [SOPPA](#) and be limited to what is educationally necessary.
- Illegal or threatening behavior will be reported to law enforcement or other appropriate authorities.
- The Academy designates a Web Accessibility Coordinator to oversee digital accessibility, content filtering, and compliance with [CIPA](#), [COPPA](#), and [ADA](#). This individual coordinates training and responds to content access requests or alerts.
- Digital content used in instruction or communication will meet accessibility standards. In cases where monitoring software interferes with a student's disability-related needs or accommodations, alternative methods of access and supervision will be developed in consultation with the student's support team.
- Vendors with access to student data must have written agreements with the Academy that include provisions for data breach notifications, data destruction timelines, and restrictions on further data sharing, consistent with [SOPPA](#) requirements.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Parents/guardians have the right to inspect, review, and correct information maintained by third-party vendors and may request a list of all operators and platforms with whom their child's data is shared.

G. USE OF ARTIFICIAL INTELLIGENCE (AI) TOOLS

- Only Academy-approved AI tools may be used during school hours or on school devices.
- AI tools may support learning and creativity, but may not be used to create or complete assignments unless explicitly directed by a teacher. Students are prohibited from using AI/NLP tools to generate original work for submission unless authorized, consistent with [AG 7540.03](#).
- AI may not be used to cheat, impersonate others, or generate harmful, misleading, or false content.
- Students may not enter personal information into AI systems without consent from a parent/guardian and teacher.
- AI-generated work must be reviewed critically and cited if used; students must not present AI content as their original work.
- Misusing AI, including trying to bypass controls or create inappropriate material, may lead to loss of access or disciplinary action.
- All AI use is monitored and subject to the same rules and appeal processes as other technologies.
- AI use must comply with [FERPA](#), [COPPA](#), [SOPPA](#), and all applicable privacy laws.
- AI use must comply with the [Family Educational Rights and Privacy Act \(FERPA\)](#), the [Children's Online Privacy Protection Act \(COPPA\)](#), and the [Student Online Personal Protection Act \(SOPPA\)](#).
- AI tools must be [SOPPA](#)-compliant, meaning any student data shared with AI vendors must be necessary for educational purposes, protected under a data sharing agreement, and not used for commercial purposes.
- Parents and guardians may opt out of student use of AI tools if they raise concerns about data privacy, algorithmic bias, or age-appropriateness. A written notice is required for this opt-out. In such cases, the Academy will provide an alternative assignment that fulfills the same academic objectives, subject to teacher approval.

H. STUDENT APPEAL PROCESS

If a student feels that a technology restriction or disciplinary action is unfair:

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

1. Submit a written appeal to the School Leader within 5 school days of the incident. During the appeal, temporary supervised access may be granted at the discretion of the School Leader and must be documented in writing.
2. The School Leader will respond in writing within 10 school days.
3. If unresolved, the student may request a hearing with the Technology Committee, which will issue a final decision within 15 school days.
4. During the appeal, temporary supervised access may be granted unless it poses a safety or legal concern.

J. DECISION-MAKING PROCESS FOR PERMISSIBLE USE

- To ensure fairness and transparency, a standing Technology Committee will meet at least twice per year to review educational platforms and AI tools, recommend which tools are allowed, and address new digital trends and concerns.
- The committee uses clear criteria to evaluate tools, including compliance with [SOPPA](#), data privacy standards, educational value, safety, age-appropriateness, legality, and alignment with community standards.
- Appeals of committee decisions must be submitted within 10 school days to the school leader and will be reviewed by an independent panel with representatives from staff, parents, and administration.

9.2 Technology Equipment Checkout

Chromebook Checkout Process

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Students who need to check out a Chromebook must follow these steps:

1. Come to the school's main office.
2. Complete a Chromebook Checkout Request Form.
3. Return the Chromebook, charger, and any accessories by the designated return date in early June.

Important: Any student who does not return their Chromebook by the required deadline will not receive their final report card until the device is returned. The Chromebook will also be disabled, and the student will no longer be able to access it until it has been returned to the school.

9.3 COPPA Acknowledgment

In accordance with the Children's Online Privacy Protection Act (COPPA), the Academy does not permit websites or online applications to collect personal information from students under 13 without prior verifiable parental consent. Only COPPA-compliant digital platforms that have entered into school-approved agreements may be used with students in this age group. Parents and guardians may request a full list of approved operators and opt out of specific tools.

9.4 Student Wireless Communication Device Policy

Students may use the school office phone to contact a parent or designated caregiver for school-related reasons with permission from a staff member. Families are encouraged to make transportation and after-school arrangements in advance to minimize the need for student phone use during the school day.

For purposes of this policy, wireless communication devices (WCDs) include, but are not limited to, cell phones, smartphones, smartwatches, tablets, earbuds with communication capabilities, smart glasses (including Meta or similar devices), and any other electronic device capable of sending, receiving, recording, storing, or accessing electronic communications, audio, images, video, or internet content.

In accordance with Michigan law, students may not use wireless communication devices during instructional time unless:

- the use is required by a student's Individualized Education Program (IEP), Section 504 Plan, or other documented accommodation;
- the device is needed to monitor or manage a documented medical condition;

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- a teacher or administrator authorizes its use for an instructional purpose;
- the student is using a school-issued device for educational purposes; or
- its use is authorized by school administration during an emergency or other exceptional circumstance.

Schools may establish additional restrictions on the possession or use of wireless communication devices during the school day or at school-sponsored activities to support student learning, safety, and an orderly educational environment.

Unauthorized use of a wireless communication device may result in confiscation of the device, parent or guardian retrieval, progressive disciplinary action, or other appropriate interventions in accordance with the Academy's Code of Conduct.

Students may not use any wireless communication device to photograph, record, livestream, or transmit audio, images, or video of another individual without the express permission of a teacher or administrator, except as required by an approved accommodation. Students also may not use wireless communication devices to harass, intimidate, threaten, bully, discriminate against, or otherwise harm another person, including through the creation or transmission of obscene or sexually explicit material. Such conduct may result in school discipline and, when required by law, referral to law enforcement or Child Protective Services.

Students who bring wireless communication devices to school do so at their own risk. The Academy is not responsible for lost, stolen, or damaged personal devices.

This policy is intended to comply with applicable Michigan law regarding student wireless communication devices and Board Policy 5136. Where Academy expectations are more restrictive than State law, the Academy's expectations shall apply.

10. Enrollment and Student Records

10.1 Enrollment and Re-enrollment Procedures

Families who do not submit completed enrollment paperwork by the stated deadline will forfeit their current seat. If seats become available after the enrollment period, they will be offered to waitlisted students in the order determined by the lottery. Any remaining seats will then be filled on a first-come, first-served basis.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

10.2 Lottery Policy

If the number of applicants exceeds the available seats in any grade, a random lottery will be conducted to determine admission. In accordance with the school's Charter Contract and applicable law, priority will be given to designated applicant groups, such as currently enrolled students' siblings. The lottery will also establish the order of the waitlist.

10.3 Entry Age for Elementary

A child is eligible to enroll in kindergarten if he or she is at least five years of age on or before **September 1** of the school year of enrollment. A child becoming six years of age before December 1 must be enrolled in school on the first day of the school year in which the child's sixth birthday occurs or must satisfy one of the exceptions stated in law. A child must remain in school until at least their

10.4 FERPA Rights and Student Records

In accordance with the Family Educational Rights and Privacy Act (FERPA), parents and guardians and eligible students have the following rights:

- The right to inspect and review the student's education records maintained by the school.
- The right to request the amendment of records believed to be inaccurate or misleading.
- The right to consent to disclosures of personally identifiable information contained in the student's education records, except where FERPA authorizes disclosure without consent.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with FERPA requirements.

FERPA rights transfer from the parent to the student once the student turns 18 or enters a postsecondary institution (eligible student). Requests to inspect or amend records should be submitted in writing to the school administration

10.5 Protection of Pupil Rights Amendment (PPRA)

The Academy values transparency and respects the rights of families. Under the federal Protection of Pupil Rights Amendment (PPRA), parents and guardians and eligible students (18 years or older) have the right to:

- Inspect instructional materials and surveys before they are administered.
- Opt their child out of participation in surveys that include sensitive information, such as political beliefs, mental health, sexual behavior, illegal behavior, or family income (other than as required by law).
- Be notified of any physical exams or screenings not required by state law.
- Review and decline the sharing of student information with third-party marketers or surveyors.

Questions or concerns may be directed to the school office or school leader.

10.6 Directory Information and Opt-Out Form

According to Board Policy 8330, the Academy may disclose appropriately designated "directory information" without written consent unless the parent or adult student advises the School to the contrary by filling out, signing, and returning the Directory Information Opt-Out Form to the Academy. The primary purpose of directory information is to allow the School to include this information in certain school publications.

The following list of uses are those the Academy would commonly disclose a student's directory information.

Common Uses of Directory Information

- Playbill /Event Program
- Annual Yearbook
- Honor roll or other recognition
- Graduation Programs
- Sports and Activity Sheets
- Colleges or post-high school institutions

Directory information, generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's or adult student's prior written consent. Two (2) Federal laws require the Board to provide military recruiters, upon request, with three (3) directory information categories, names, addresses, and telephone listings unless parents and guardians or adult students have

advised the Academy that they do not want their student's information disclosed without their prior written consent.

Directory Information

- Student's name
- Participation in officially recognized extra-curricular activities/sports
- Height and weight, if a member of an athletic team
- Date of graduation
- Achievement awards or honors received; honor rolls
- Scholarships
- Photographs or videos of students participating in school activities, events, or programs

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student has opted out of the provision of this information by returning the Opt-Out Form to the School Office within 14 days of receipt. Directory information will not be provided to any organization for profit-making purposes. If you do not wish to opt out of any of the above common uses, you do not need to take any action.

11. Family Partnership

At the heart of our academy's success is a strong partnership between home and school. We believe that families are more than just supporters of their child's education; they are essential partners in shaping a thriving school community. When schools and families work together, students are more motivated, confident, and successful.

We invite and encourage every family to be actively engaged in their child's academic, social, and character development. Whether through volunteering, attending events, or participating in classroom and school-wide activities, your involvement makes a meaningful impact. Together, we create a culture where every child is known, supported, and inspired to reach their fullest potential.

11.1 Partnership in Responsibility Statement

The Code of Student Conduct is titled "*Partnership in Responsibility*" in anticipation of parents, students, teachers, administration, support staff, and the Board of Directors forging a strong bond on behalf of the children of the Academy. The Partnership is

based on mutual respect, responsibility, and results. You are encouraged to embrace the partnership philosophy and translate it into action.

11.2 Parents' Rights and Responsibilities

At our academy, we believe in the foundational role families play in a child's education. We recognize that parents and guardians have a constitutionally protected right to direct the upbringing, education, and care of their children, and we strive to work in full partnership with families while upholding our responsibility to provide a safe, inclusive, and academically rigorous environment for every student.

Our school is committed to transparency, open communication, and meaningful collaboration with parents. We value feedback, encourage involvement, and expect that all interactions between families and staff remain courteous and constructive.

Families have the right:

- To know that their child is cared for in a safe, supportive environment.
- To access their children (unless prohibited by a court order).
- To review curriculum and request that their child be excused from instructional content that conflicts with their sincerely held religious beliefs, in accordance with applicable law.
- To receive timely communication about behavioral, health, safety, or academic concerns affecting their child.
- To access school staff during normal school hours, by appointment.
- To review teacher credentials in alignment with Board Policy 2261.02 BP.
- To review their child's educational records in accordance with FERPA (Family Educational Rights and Privacy Act).
- To participate in public comment at board meetings and engage in school governance as permitted by law.

Parents and Guardians Have the Responsibility To:

- Provide accurate and up-to-date emergency and contact information to the school.
- Notify the office promptly when their child will be absent or late.
- Follow school procedures for drop-off, pick-up, early dismissals, and other attendance-related matters.
- Cooperate with staff to support their child's academic, behavioral, and social-emotional development.
- Communicate respectfully with teachers, administrators, and school staff.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Stay informed by reading school communications and reviewing school policies outlined in this handbook.
- Inform the school of significant changes at home (e.g., custody arrangements, family transitions, trauma) that may affect the student's behavior or wellbeing at school.
- Model positive engagement by attending parent-teacher conferences, school events, and educational workshops when possible.

We ask all parents and guardians to view themselves as active partners in our school community. When home and school work together in trust and transparency, children thrive.

11.3 Helping Your Child Succeed

There is no more powerful teacher in a child's life than their parent or guardian. Establishing routines that safeguard children from worry and stress so that they can learn and grow is essential. As your student's guardian, you can help your child learn if you:

- Start each day with a calm beginning.
- Make sure your child is well rested with at least 9-12 hours of sleep each night.
- Encourage your child to have a healthy breakfast and lunch.
- Laugh and talk with your child about school experiences – listen attentively.
- Stress attendance. Home is the best place for a sick child; otherwise your child should take advantage of each school day.
- Acknowledge your child for special accomplishments.
- Keep the lines of communication open. Inform the teacher of any family situation that could influence your child's behavior.
- Have a special place for notes and notices about school events.
- Read each day to your child. Encourage reading for pleasure, and utilize the public library regularly.
- Stress organization of your child's belongings.
- Encourage independence in your child by showing him/her what he/she can do by himself/herself.
- Work at home with skills taught at school.

11.4 Student-Parent-Teacher Compact

The Student-Parent-Teacher Compact outlines the shared responsibilities of families, school staff, and students to support academic achievement and a positive school

environment. It includes specific commitments from students, parents or guardians, teachers, and the principal. This compact is an important part of the Academy's family engagement efforts and is included in the Code of Conduct to ensure all stakeholders understand their role in fostering student success.

11.5 Volunteer Guidelines and Background Checks

The Academy welcomes and encourages volunteers to support our school community.

All volunteers must undergo a national background check conducted through Navigate360, the Academy's visitor management system. This check ensures individuals have not been charged with child abuse, neglect, or serious criminal offenses.

The Academy reserves the right to approve or deny volunteer service based on the results of the background check and the individual's fitness to work with children. Providing false or misleading information, or discrepancies between submitted information and background check results, may result in immediate denial or revocation of volunteer privileges.

All volunteers must sign in at the front office using Navigate360 upon arrival. A visitor badge will be printed and must be worn visibly at all times while on school grounds. Volunteers are expected to comply with all Academy policies and maintain confidentiality regarding any student information seen or heard during their service.

Volunteer opportunities may include tutoring, mentoring, classroom assistance, chaperoning, or speaking engagements. Parents, grandparents, and friends are invited to become involved. Please notify the school office if you are interested in volunteering.

To support student safety, volunteers should avoid using cell phones while working with students. Volunteers may not bring younger siblings to school or on field trips without prior approval from the School Leader.

In accordance with Board Policy 9150, the School Leader may deny or revoke visitor access if necessary to protect school safety or minimize disruption.

11.6 Parent Education Meetings

Parent education evenings will be scheduled throughout the year. Different topics will be discussed to give you the opportunity to learn more about the Academy. The Academy's parent and educator organization works together for the education and enrichment of the

children. This is a voluntary organization that holds monthly meetings. For more information on this organization, see the front office.

11.7 Visitors

The Academy welcomes parents, guardians, and approved guests to visit the school. All visitors must report directly to the front office upon arrival, present a valid photo ID if not known to staff, and sign in using the school's visitor management system. A visitor badge will be issued and must be worn visibly at all times while on school grounds.

Visits to classrooms or other instructional spaces must be pre-arranged with the teacher and approved by the School Leader to avoid disruption to learning. Visitors may not bring younger children during school hours without prior approval. Individuals who fail to follow visitor procedures or pose a safety concern may be denied access in accordance with Board Policy 9150.

11.8 Fundraising

Students may solicit only for Academy-sponsored activities. The School Leader, or Board of Directors, when appropriate, must approve fundraisers in writing prior to announcement of fundraising activities, placing orders, or making commitments. Academy students are prohibited by Board Policy from door-to-door solicitation of any type in the community. There will be no exchange of money among students for any purpose unless authorized by the School Leader.

12. Student Life and Conduct

12.1 School Wide Behavior - PBIS

Students at the Academy have the right to be treated with respect and dignity by both staff and classmates. All students should feel included and welcomed in school activities. Teachers guide students toward developing self-discipline, and staff act as coaches, helping students reflect on their choices and grow.

The Academy fosters a learning environment that values curiosity, independence, and respect for self, others, and the community. Students are encouraged to take ownership of their learning, make thoughtful choices, and engage meaningfully with the world around them. Staff support students in developing habits of persistence, respectful communication, and active participation in both individual and collaborative work.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

The Academy uses Positive Behavioral Interventions and Supports (PBIS) as a research-based, schoolwide framework to teach and reinforce positive behavior, much like academic subjects are taught. PBIS does not eliminate consequences or discipline. Instead, it ensures expectations are clear, consistently taught, and fairly applied so students understand how to meet them.

PBIS strengthens the school culture by:

- Providing clear behavior expectations across all settings
- Modeling and practicing these expectations regularly
- Teaching students what to do, not just what not to do
- Offering consistent consequences when rules are broken, ranging from redirection to formal discipline
- Supporting students with the tools to succeed before behaviors escalate

PBIS supports student accountability and protects learning time while creating a peaceful, respectful, and purposeful environment where all students can learn and thrive.

12.2 Suspension and Expulsion Procedures

Detentions, in and out of school suspensions, and/or expulsions are levels of consequences that are administered to students who demonstrate disobedient, disruptive, violent, disrespectful, or otherwise harmful behavior at school. Any student who has been suspended during the course of the school year may be ineligible to attend overnight field trips as a result.

A student whose presence creates, or is likely to create, a specific threat or risk to the safety or well-being of the school community or any of its members will be suspended or expelled from school. The Code of Student Conduct clearly spells out the responsibilities of parents and students, appropriate and inappropriate behaviors, and consequences for unacceptable behaviors.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

If a student's behaviors result in a discipline recommendation over 10 days suspension or expulsion, the school will consider the mitigating factors involved and consider using Restorative Practices as an alternative, or in addition to, suspension or expulsion. Please see the Code of Conduct for more information.

12.3 Seclusion and Restraint

The Academy complies with Michigan's policy prohibiting seclusion and restraint except in cases where a student's behavior poses an imminent risk to the safety of the student or others. All interventions used are in accordance with state law and staff are trained annually in approved techniques. A written report will be provided to the student's parent or guardian if such an incident occurs.

12.4 OK2Say Student Safety Reporting

The safety and well-being of our school is a shared responsibility. We utilize OK2SAY as our confidential student safety reporting program. OK2SAY is for students to report concerns such as threats of violence, bullying, self-harm, abuse, or other behaviors that may place someone at risk. The Academy encourages students to see something, say something.

Reports are received and evaluated by the Michigan State Police OK2Say program and then reported to school officials for follow-up. Every report is taken seriously. Students are encouraged to report concerns to a trusted adult whenever possible, and OK2SAY is available 24/7 as a confidential reporting option.

In accordance with Michigan law, OK2SAY information is available on the Academy's website.

12.5 Threat Assessment and Management Policy

Our school uses the Michigan K-12 Behavioral Threat Assessment and Management (Mi-BTAM) model as part of a proactive and student-centered approach to promoting safety and well-being. BTAM is an evidence-based process designed to identify, assess, and manage threatening or concerning behaviors before they escalate. It is not a disciplinary tool or criminal investigation, but rather a compassionate intervention process focused on violence prevention and student support.

When behaviors arise that could pose a threat to school safety, a multidisciplinary team composed of school administrators, mental health professionals, special education staff,

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

and others trained in BTAM protocols collaborates to assess the situation. The team uses a fact-based, case-specific process to gather information, evaluate concerns, and develop an individualized support and intervention plan that addresses both student needs and school safety. Information may be gathered through interviews with students, staff, parents or guardians, review of relevant school records, and other lawful sources to develop a complete understanding of the situation and identify appropriate interventions. The process respects the rights of students under applicable laws, including the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act, and the Family Educational Rights and Privacy Act (FERPA).

In situations where a student with an Individualized Education Program (IEP) or Section 504 plan is involved, the BTAM team works closely with the student's special education team to ensure compliance with legal requirements and to develop supports tailored to the student's unique needs. The emphasis is on early identification and positive intervention, not punishment or exclusion. BTAM is not zero tolerance, profiling, or adversarial in nature. It is a thoughtful, student-focused practice designed to foster a safe and inclusive school culture.

Parents and guardians are important partners in the BTAM process. School leaders may speak with students during the school day as part of the BTAM process when necessary to evaluate and address potential safety concerns. While parental permission is not required for these conversations, the Academy is committed to involving parents and guardians as early as appropriate in the process, unless immediate notification would compromise student safety or the integrity of the assessment. Families will be informed of concerns, the steps being taken to support the student, and opportunities to participate in developing intervention and support plans. The school is committed to handling all matters with discretion and respect while protecting the privacy of those involved and fulfilling its responsibility to maintain a safe school environment.

12.5.1 Digital Safety

The Academy takes digital safety seriously. We reserve the right to monitor student use of district networks and internet access. Students should report security concerns to staff immediately. All students should use technology responsibly and safely, all users must follow the Acceptable Usage Policy. See section 9.1 for more information.

12.5.2 Digital Threat Prevention

Protecting students extends beyond the school building. When the Academy becomes aware of credible concerns involving threats of violence, suicide, self-harm, exploitation,

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

or other behaviors that may jeopardize school safety, trained personnel may review publicly available online information as part of the Behavioral Threat Assessment and Management (BTAM) process. Reviews are conducted only when there is a legitimate safety concern, follow applicable laws and Board policy and are intended to identify students who may need intervention or support before a crisis occurs. The Academy does not require students to provide passwords to personal social media accounts.

12.6 Mandatory Reporting of Child Abuse or Neglect

All staff members at the Academy are considered mandated reporters under Michigan's Child Protection Law. This means they are legally required to report any suspected abuse or neglect of a child to the Michigan Department of Health and Human Services. Reports are made to protect the safety and well-being of all students and are kept confidential to the extent allowed by law.

12.7 Playground and Lunchroom Behavior

Playground Behavior

Students are provided with the opportunity to engage in unstructured, open-ended, social interaction during recesses. Recess time is supervised by a classroom teacher who is responsible for student safety. Equipment appropriate for use at recess time is available through classroom teachers. Consult with your child's teacher to find out if equipment from home is appropriate for use on the school playground. Equipment brought to school should be appropriate for group activity and should be shared with other students. Equipment such as skateboards and scooters are not allowed at school.

Children are expected to maintain the same level of respect on the playground as in the classroom. Respect for self, others and materials is essential. Students who disregard this will lose the privilege of recess until the next day where they have a chance to make a different choice. Recess is an important part of the total curriculum. When recess is held outside, ALL STUDENTS ARE EXPECTED TO GO OUTSIDE. A student may be excused from recess for one day with a note from the parent/guardian. Extended excuses will be honored upon receipt of a physician's note. Parents are responsible to see that their child is dressed appropriately for the weather.

While on the playground, students are expected to:

- Use playground equipment and structures carefully
- Play within the designated areas and boundaries
- Share equipment and follow the rules of the game

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

- Leave all personal items at home that may be damaged or endanger the safety of others. (The building School Leader is authorized to make judgments on these items.)

Breakfast and Lunch Behavior

Breakfast and lunchtime provides students with another opportunity to practice social skills in an informally structured environment. During this time students are expected to: speak softly and be considerate of classmates, remain seated while eating, clean up after themselves, and be courteous to the people in charge.

Cafeteria Rules

- Students are expected to follow the Code of Student Conduct.
- Students are expected to sit while eating.
- Students are to use quiet voices when conversing with other students.
- Students are expected to use good table manners and to clean up after eating.

12.8 Interrogations and Searches

12.8.1 Student Searches by School Staff and Privacy

In accordance with Board Policy 5771 and to maintain a safe and orderly learning environment, school administrators may search student belongings when there is reasonable suspicion that a school rule or law has been violated. This includes backpacks, bags, lockers, desks, cubbies, electronic devices, vehicles on school property, and other personal belongings.

Students do not have a reasonable expectation of privacy in school-owned property, including lockers, desks, and other school-issued storage areas. These areas may be inspected at any time and are subject to routine checks.

Searches of a student's person or intimate personal belongings will occur only in exceptional circumstances when the health or safety of the student or others is immediately threatened. Such searches will be conducted by a staff member of the same gender, with another adult present whenever practical, unless immediate action is necessary to protect health or safety.

When practical, the student will be informed of the reason for the search and the items the school is seeking. Items prohibited by law or Board policy may be confiscated and turned over to law enforcement or other appropriate authorities when required. Parents or guardians will be notified as appropriate.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

The school may coordinate with law enforcement to conduct canine searches of lockers, vehicles, or common areas when appropriate. These searches do not include the search of an individual student without the legal authority required by law.

All searches will be conducted respectfully, privately, and in accordance with Board Policy 5771. Written documentation of the search and any items confiscated will be maintained by the School Leader.

12.8.2 Interrogations by Law Enforcement or Outside Agencies

The school has legal custody of students during the school day and at school-sponsored events. It is the responsibility of school leadership to protect students' rights during any interaction with law enforcement or outside agencies. When a student must be questioned at school by law enforcement or agency officials:

1. A school administrator or designee will be present during the interview. If no school representative is immediately available, questioning will be delayed until one can be present, unless there is an immediate safety concern.
2. The school will make every effort to notify a parent or guardian. This includes calling all emergency contact numbers, leaving voicemails when possible, and sending emails to all addresses on file. Unless there is an imminent threat, questioning will be delayed up to one hour to allow for parent response.
3. If the student is taken into custody, the school will request that law enforcement officials follow all applicable legal procedures, including informing the student of their rights.
4. As required by law, the school permits child protective services investigators (e.g., from the Department of Health and Human Services) to interview students without parent notification in cases of suspected abuse or neglect.

12.9 Non-Discrimination and Sexual Harassment

The Academy does not discriminate against applicants, employees, or students on the basis of race, color, religion, sexual orientation, gender, gender identity, disability, age, national origin, political belief, marital status, sex, age, height, or weight in its programs or activities. In addition, students and families who believe they have experienced discrimination based on race, color, or national origin may file a complaint under Title VI of the Civil Rights Act of 1964. Complaints may be submitted through the school's internal grievance process or directly to the Michigan Department of Education, Office of Civil Rights, or the U.S. Department of Education, Office for Civil Rights.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Sexual harassment will not be tolerated in Academy employment practices and/or educational programs or activities.

Inquiries regarding compliance with Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, or the Age Discrimination Act of 1975, or any other federal or state regulations, may be directed to the School Leader, the Michigan Department of Education, or the Director of the Office of Civil Rights, U.S. Department of Education.

Sexual Harassment

The Academy is committed to providing a working and learning environment based on dignity and respect, free of harassment or intimidation. All those associated with the Academy are expected to foster a climate that is supportive, respectful, and conducive to teaching and learning. Title IX of the Education Amendments of 1972 (Title IX) and the Department of Education's implementing regulations prohibit discrimination based on sex in federally assisted education programs and activities.

"Sexual harassment is unwelcome conduct of a sexual nature. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Sexual harassment of a student can deny or limit, based on sex, the student's ability to participate in or to receive benefits, services, or opportunities in the school's program. Sexual harassment of students is, therefore, a form of sex discrimination prohibited by Title IX under the circumstances provided in this guidance" ("Revised Sexual Harassment Guidance: Harassment of Students by School Employees, Other Students, or Third Parties, U. S. Department of Education, Office for Civil Rights, January 2001).

Sexual harassment is among the behaviors that are destructive to a positive working and learning climate, and as such is prohibited by state law, federal law, and school board policy. Any member of the school community who engages in sexual harassment as defined below will be in violation of this policy. The Employee Manual is explicit in its discussion of sexual harassment and consequences of inappropriate behavior by employees.

This policy encompasses behavior of adults towards adults or students, and students towards students or adults.

DEFINITION:

It is a violation of this policy when a person makes any sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when submission to

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

or rejections of advances, requests or conduct is made either explicitly or implicitly a term or condition of the provision of benefits, privileges, employment or placement services or as a basis for the evaluation of academic achievement; or such advances, requests, or conduct have the purpose or effect of unreasonably interfering with an individual's education or career by creating an intimidating, hostile, humiliating or sexually offensive educational or employment environment.

Sexual harassment, as defined above, may include, but is not limited to, the following:

- Verbal or written harassment or abuse,
- Pressure for sexual activity,
- Repeated remarks to a person with sexual or demeaning implications,
- Unwelcome touching,
- Suggesting or demanding sexual involvement accompanied by implied or explicit threats including, but not limited to, one's grades, and job.
- Display of lewd or sexually explicit materials, inappropriate jokes, or language of a sexual nature.

RESPONSIBILITIES:

All persons associated with the Academy are responsible for:

1. Ensuring that his/her behavior does not sexually harass any other person associated with the schools.
2. Reporting any observed or experienced harassment or mistreatment immediately to the Sexual Harassment Grievance Officer and cooperating fully in the investigation of alleged sexual harassment; and
3. Actively participating in the Academy's effort to prevent sexual harassment in the schools.

Retaliation of any form, including threats, intimidation, reprisal or harassment, towards any person who makes a sexual harassment complaint, or who assists in or participates in an investigation, proceeding, or hearing is unlawful and will not be tolerated and can be considered grounds for dismissal of staff and/or removal of a student from school.

FALSE REPORTS:

False (fabricated) claims of sexual harassment can cause permanent damage to the victim of such claims and must therefore be treated as a very serious matter. A false claim may be considered grounds for dismissal of staff, or discipline including the removal from the educational setting for a student, who makes a false claim.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

CONFIDENTIALITY:

Reports and complaints of sexual harassment will be kept as confidential as possible consistent with the rights of all parties.

SEXUAL HARASSMENT GRIEVANCE OFFICER:

The Board of Directors has appointed the Chief Administrative Officer, or their designee, as the Grievance Officer who will be responsible for processing all sexual harassment complaints in accordance with the procedure outlined below.

COMPLAINT PROCEDURES:

1. What one person may consider acceptable behavior may be viewed as sexual harassment by another person. Therefore, the victim should make clear to the harasser that the behavior is offensive and must stop. If the victim is uncomfortable in addressing the harasser they should be made to feel comfortable talking to a trusted adult or a member of the school leadership team. If the harasser does not stop the behavior or the victim is uncomfortable confronting the harasser, or if the behavior warrants further action in the opinion of the victim, the victim should lodge a complaint with the School Leader/Title IX officer/contact.
2. Upon receipt of a written formal complaint submitted by the complainant, their parent or guardian, or signed by the Title IX Coordinator, the school will initiate the Title IX grievance procedure in accordance with 34 CFR §106.45. The respondent is presumed not responsible for the alleged conduct until a final determination is made following a thorough and impartial investigation. The complaint should be as specific as possible, including names, dates, times, places, witnesses, and specific words or actions which were experienced as offensive. In cases involving students, the student's parents and guardians will be notified immediately of the complaint, the steps to be followed, and the ways in which they will be involved in the process.
3. All complaints of sexual harassment will be promptly investigated. Depending on the circumstances, the investigation may encompass any or all of the following:
 - a. The alleged victim may write a letter to the alleged harasser describing the offensive behavior, the circumstances under which it took place, the way the behavior made the victim feel, and requesting that the harasser apologize and promise not to repeat the behavior. The School Leader/Title IX officer or assigned investigator will then meet with the alleged harasser,

- hear the harasser's account of the situation, present the victim's letter, and discuss the matter.
- b. Where appropriate in the opinion of the School Leader/Title IX officer or assigned investigator a meeting will be held between the alleged victim and the alleged harasser to clarify the facts and to attempt to mediate a resolution.
 - c. The School Leader/Title IX officer or assigned investigator may interview all parties and witnesses to the alleged harassment.
4. In cases of alleged student harassers, the School Leader/Title IX officer or assigned investigator will determine if these facts constitute harassment. Disciplinary consequences such as detention, suspension, or expulsion consistent with school rules may be implemented. In cases of alleged adult harassers, the School Leader/Title IX officer or assigned investigator will report the facts of the alleged harassment and will determine if these facts constitute harassment. The School Leader/Title IX officer or assigned investigator will recommend to the Board of Directors appropriate action, which could include disciplinary action up to and including termination of employment by Choice Schools Associates, LLC.
5. If disciplinary steps are taken, copies of the reports of facts and the written decision will go to the harasser, the personnel file in cases of adult harassers, and to the parents and guardians in cases of student harassers. The victim, and his or her parents, if the victim is a student, will also be informed of the determination as to whether harassment occurred.
6. Repeated or extreme forms of harassment, violence, or civil rights infringements will result in a recommendation for expulsion or termination from the Academy.

The School Leader/Title IX officer or assigned investigator will make complete records of all sexual complaints, facts, steps taken, determinations, and resolutions, and those records will be securely maintained in the School Leader's office for a minimum of seven years, or longer if required due to ongoing litigation, appeals, or state/federal audit requirements.

The Academy follows a Title IX grievance procedure consistent with 34 CFR §106.45. This includes a clear standard of evidence (preponderance of the evidence), offering supportive measures regardless of whether a formal complaint is filed, and ensuring equitable treatment of complainants and respondents. In accordance with Title IX regulations, K–12 schools are not required to hold live hearings as part of the grievance process. Instead, a trained, impartial decision-maker will objectively review all evidence gathered during the investigation and make a final determination based on the preponderance of the

evidence standard. Both parties will have equal opportunity to submit and review relevant documentation and to appeal the final outcome.

The school does not presume the respondent responsible prior to the conclusion of the investigation.

STATE and FEDERAL REMEDIES:

In addition to the above, if someone believes he/she has been subjected to sexual harassment, he/she may file a formal complaint with either or both governing agencies set forth below. The complaint process does not prohibit filing a complaint with these agencies. Each of the agencies has a short time period for filing a claim (EEOC - 180 days: MCAD - 6 months).

1. The United States Equal Employment Opportunity Commission (EEOC)
2. State of Michigan

12.10 Title VI Non-Discrimination Policy

In accordance with Title VI of the Civil Rights Act of 1964, the Academy does not discriminate on the basis of race, color, or national origin in the administration of its educational programs or activities, including those that receive federal financial assistance.

Any student or parent/guardian who believes they have been subject to discrimination under Title VI may contact the School Leader or designated Title VI Coordinator to file a concern or complaint. The Academy will respond promptly and equitably to all reports.

12.11 Tobacco/Smoke-Free School Zone Policy

In accordance with Michigan law and the Michigan Clean Indoor Air Act, the use or possession of tobacco products, including smokeless tobacco, electronic cigarettes (e-cigarettes, vapes), and any nicotine-delivery device, is strictly prohibited at all times in school buildings, on school grounds, in school vehicles, and at school-sponsored events, regardless of location.

This policy applies to all individuals: students, staff, volunteers, and visitors. Violations by students will result in disciplinary consequences as outlined in the Code of Conduct. Violations by staff or visitors may result in removal from the premises and referral to appropriate authorities.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

12.12 Drug and Alcohol Use Policy

The use, possession, distribution, sale, manufacture, or being under the influence of illegal drugs, controlled substances, look-alike substances, drug paraphernalia, or alcoholic beverages is strictly prohibited on school property, during school hours, and at any school-sponsored event or activity, whether on or off campus.

Violation of this policy will result in disciplinary action, which may include suspension or expulsion, as well as notification to law enforcement and parents or guardians. The school retains the right to require medical evaluation or drug testing when there is reasonable suspicion of substance use.

In accordance with Michigan law and school board policy, students may be referred for educational or rehabilitative services when appropriate.

12.13 Weapons and Dangerous Objects Policy

In accordance with the federal Gun-Free Schools Act and Michigan state law, students shall not possess, use, transport, handle, or conceal any dangerous weapons or look-alike weapons on school property, in school vehicles, or at school-related functions.

A dangerous weapon includes, but is not limited to: firearms, knives, stun guns, explosives, air guns, and martial arts weapons. “Look-alike” weapons that appear to be real or are used in a threatening manner will be treated as actual weapons.

Possession of a firearm on school property, in a school vehicle, or at a school-sponsored event will result in a mandatory expulsion of at least one school year, as required under the Gun-Free Schools Act and MCL 380.1311. The expulsion may be modified by the Board of Directors on a case-by-case basis. All dangerous weapon incidents will be reported to law enforcement in accordance with MCL 380.1313.

This policy applies to all students and is enforced without exception.

12.14 Annual Firearm Safety Notice

In compliance with state law (Public Acts 257 and 258 of 2024), we are providing families with a [firearm safety notice](#) developed by the Michigan Department of Health and Human

Revised August 2026

**Introduction
Character Education
Code of Student Conduct**

The Code of Student Conduct provides behavior guidelines for development of good social skills, students as responsible citizens, and accelerated learning school culture. All stakeholders— students, parents, administration, faculty, and support staff—enter a partnership in responsibility to build positive character in our students that prepares them for college, work, military, parenthood, and community service.

Our Character Choices program empowers students with the knowledge, skills, attitudes, and opportunities to become responsible members of the home, school, and community. The nine character traits are the following:

- Respect
- Responsibility
- Cooperation
- Compassion
- Good Judgment
- Integrity

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- Perseverance
- Courage
- Citizenship

The nine character traits represent values of responsible citizenship and empower students with the discipline to be lifelong learners and enlightened citizens in a diverse society.

Each individual has rights and responsibilities. The Code of Student Conduct attempts to preserve individual rights in the school community and deliver academic excellence in a safe, emotionally secure community of learners. Diversity is our strength and we pursue productive classrooms where all students find meaning, dignity, and sense of community.

The overarching goal of the Code of Student Conduct is to teach students self-discipline and good social skills. We want to keep students in school. Our Positive Discipline Support Plan provides a framework for progressive and constructive discipline practices and in-school interventions for minor misbehaviors. Out of school suspension is reserved for serious infractions of the Code of Student Conduct.

Parents are our most valuable partners. We seek your cooperation and participation in the ongoing development of your child's academic knowledge, skills, and attitudes and social skills. We encourage you to read and review the Code of Student Conduct with your child and encourage acceptable behavior at school.

STUDENT RIGHTS

EDUCATION

The rights of all students are ensured by the Constitutions of the United States and the State of Michigan and by all applicable federal, state, and local statutes. These rights, including the right to an education, shall be recognized without regard to race, religion, sex, creed, ability to pay, national origin, disabling condition, or intellectual ability. Students have a right to a public education beginning with pre-kindergarten and extending through the twelfth grade.

Students, in all their diversity, are to be educated in a safe and supportive environment that fosters academic success and healthy development and that prioritizes keeping

students in school.

ENVIRONMENT

Students have the right to expect a safe school environment in which to learn and a climate within the school that is conducive to learning.

RESPECT

Students have a right to expect courtesy, fairness, and respect from members of the school staff and other students.

PROPERTY

Students have a right to expect that other students and school personnel will respect their personal property.

PARTICIPATION

Students have a right to participate in school activities, subject to qualification requirements and compliance with Board of Directors policies and administrative guidelines.

EXPRESSION

Students have the right to address policies both publicly and privately, in writing and orally. Students may advocate change in any law, policy, or regulation.

APPEAL

Students have the right to seek a review and change in policies and decisions concerning student conduct. A parent has the right to seek a change in a school policy or decision concerning his or her child.

SECTION A: A PARTNERSHIP IN RESPONSIBILITY

The Academy is committed to respect for the rights of others. Rules governing discipline and conduct are written so that parents, students, teachers, and the School Leader know

what is expected of students. By working together under clearly stated and consistently enforced regulations, we can administer firm, fair and consistent discipline practices as called for by the US Department of Justice.

Parents, teachers, staff, the School Leader, and the Board of Directors are responsible for helping students develop self-discipline and learn social skills required for work and college. The Code of Student Conduct delineates the partnership that the school and the larger-community share across several broad concepts.

- Environment, which includes the climate of the school;
- Education, which includes preparation and work habits;
- Respect, which includes treatment of others;
- Participation, which includes involvement in school activities; and
- Expression, which includes dress and verbal and nonverbal issues.

These broad concepts appear in each statement of responsibilities contained in this handbook.

Beliefs

The following beliefs guided the development of the Code of Student Conduct:

1. That schools must be safe and secure for students and staff.
2. That students have rights and responsibilities in the learning environment.
3. That the school is for instruction and learning, and anything that distracts from the learning process must be dealt with by the School Leader, faculty, and staff within progressive and positive discipline practices.
4. That students and their parents should be knowledgeable of school and classroom rules.
5. That students have a responsibility to exercise self-control over their own behavior and that teachers and support staff have the responsibility to teach students good social skills and acceptable behaviors.
6. That the responsibility for discipline is shared among students, school personnel, the Board of Directors and parents.
7. That the school respects differences in discipline practices at home as long as they are within parameters of the law.
8. That students, who violate school and classroom rules, must be afforded their rights to due process, which are procedurally, morally, and legally fair and correct.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

9. That students, when they violate school and classroom rules, should be assigned corrective measures with the purpose of teaching good social behaviors.
10. That disciplinary measures should be progressive, corrective, and preventive, unless the safety of students is an issue.
11. That disciplinary measures should be firm, consistent, and fair.
12. That the disciplinary measures of the school should be a problem-solving process and should focus on the causes of the infraction and learning acceptable behaviors.
13. That the assigning of disciplinary measures should be reasonable.
14. That students, who commit criminal acts, should be administered measures that are severe and swift when the safety of the general school population is at issue.

School Jurisdiction

The authority of the school over the conduct of students extends to the following locations:

- On the school grounds during, before, and after school hours.
- On school sponsored transportation for all school-related activities and the regular school day.
- On the school grounds, as either a spectator or a participant at any other time when a school group is using the school.
- Off the school grounds at any school-related activity, function, or event as a participant or a spectator.

Student Expression

The School Leader will maintain open channels of communication through which students may express their individual or group concerns and suggestions that will be formally and informally deliberated.

We sincerely believe that continued recognition of students' rights and responsibilities will develop within our youth a student philosophy that will nurture their internal strengths, will deter the influence and spread of degrading attitudes, and will perpetuate the American ideal of a responsible, democratic system of government.

5. Ensure that your child understands that supplying, handling, using, transmitting, or possessing any type of weapon on school property, on the way to or from school, or at any school-sponsored event is prohibited.

Education

1. Help support education for children as provided by applicable federal, state, and local statutes, without regard to race, religion, sex, creed, ability to pay, national origin, disabling condition, or intellectual ability.
2. Make certain your child's attendance at school is regular and punctual and all absences are properly excused.
3. Instill in your child the desire to learn.
4. Become acquainted with your child's school, staff, curriculum, and activities.
5. Ensure that your child has the necessary materials and supplies needed for classes and activities.
6. Ensure that your child has a quiet and proper place to study at home.

Respect

1. Guide your child, from the earliest years of his or her life, to develop socially acceptable standards of behavior, to exercise self-control, and to be accountable for his or her actions.
2. Teach your child, by word and example, respect for law, for the authority of the school, and for the rights and property of others.
3. Know and understand the rules your child is expected to observe at school; be aware of the consequences for violations of these rules, and accept legal responsibility for your child's actions.
4. Encourage your child to respect honest work and to develop an interest in exploring broader fields of knowledge.
5. Accept the right of the Board of Directors to require respectable behavior of all students and nonstudents at all activities involving the school.
6. Help your child understand and respect the purposes of schooling, learning, and teaching.

Participation

1. Send your child to school as required by The Michigan School Code, on time, every day, ready to learn.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

2. Request and attend parent-teacher conferences.
3. Attend school functions and activities with your child.
4. Volunteer for school functions or assist when possible.

Expression

1. Encourage your child to conduct him or herself in an acceptable manner.
2. Encourage your child not to make obscene gestures or libelous, racist, or sexist statements or to use intimidating tactics toward others.
3. Encourage your child not to interfere with the educational progress of others or the educational program by using inappropriate verbal or nonverbal expressions.
4. Encourage your child to dress appropriately in the school uniform so that his or her appearance will not disrupt the educational process or activities.

Teacher/Staff Responsibilities

Environment

1. Reflect personal enthusiasm for teaching and learning and genuine concern for the individual student.
2. Express positive reinforcement for acceptable behavior.
3. Provide clear, reasonable classroom rules consistent with the Code of Student Conduct.
4. Project the image of your profession, your school, and education for everyone in a positive manner.
5. Be professional, and be a role model for students.
6. Refer to the student's teacher or School Leader any student whose behavior requires special attention.
7. Report all incidents of suspected child abuse or neglect to your School Leader as required by Michigan Law.

Education

1. Guide differentiated learning activities so students learn to think and reason.
2. Provide opportunities for students to develop socially acceptable skills, attitudes and behaviors.
3. Provide meaningful schoolwork for students with the expectation that all students will be successful.
4. Inform parents regarding student achievement and behavior, and consult

School Leader Responsibilities

Environment

1. Create the best teaching-learning conditions possible for student learning.
2. Create a safe, caring school environment for everyone.
3. Take the lead in establishing reasonable rules and regulations for the orderly operation of the school.
4. Make rules and regulations known and understood by students, parents, teachers and staff.
5. Report all incidents of suspected child abuse or child neglect as required by Michigan Law.

Education

1. Organize school schedules and teaching assignments, and require effective classroom management and instruction.
2. Maintain open lines of communication between school and home and between staff and administration.
3. Offer a complement of student activities, which provide interesting activities for all students.
4. Encourage the recognition of students' accomplishments.
5. Protect instructional time and ensure the best possible conditions for learning.
6. Ensure that discipline practices are progressive, constructive, and focused on developing self-discipline and social skills for career and college success.
7. Ensure that all students are encouraged to achieve high academic standards.

Respect

1. Be firm, fair, courteous, and consistent in all decisions affecting students, parents and staff.
2. Demonstrate by word and personal example respect for law, self-discipline, and genuine concern for all persons.
3. Recognize that parents are a child's first teachers and listen to the concerns and suggestions of parents.

Participation

1. Provide leadership by creating a school culture where a collaborative culture can flourish, shared decision making is encouraged, and unity of

2. Become acquainted with students and parents by visiting classrooms, attending school activities and events, accepting opportunities to take part in community events, and inviting the community into the school.
3. Receive teacher or staff referrals of students with behavior problems, confer with these students, communicate with parents, and set up cooperative procedures for correcting student behavior and teaching good social skills.

Expression

1. Do not use language that is obscene, racist, sexist, libelous or sarcastic.
2. Encourage and ensure that students, parents, teachers and other staff use appropriate expressions which are not obscene, racist, sexist, slanderous, disruptive, libelous, intimidating, or sarcastic.
3. Exemplify leadership qualities, and represent your profession positively through your appearance and conduct at school, and at school-sponsored events, and in the community.
4. Ensure that students, parents, teachers, and staff members follow the appropriate dress guidelines for the school and for common decency and that guidelines are consistently and fairly enforced.
5. Be aware of and follow guidelines prohibiting sexual harassment.

Board of Directors and Management Responsibilities

Environment

1. Inform the community of what is expected of students and what the consequences are when rules are violated.
2. Give full support to school staff and others charged with the responsibility for managing the schools.

Education

1. Maintain a well-trained staff at all levels.
2. Develop programs and activities, which provide for all students, including those with special needs.
3. Provide vision for the school, which includes curricular programs and activities designed to provide students with opportunities to learn and develop.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

Respect

Be fair, courteous and consistent in making decisions regarding those students whose behavior problems have been appealed to the Board of Directors in accordance with state law.

Participation

1. Become acquainted with the Academy, its staff and students by visiting buildings regularly and by attending school activities.
2. Encourage and support participatory decision-making.

Expression

1. Provide Policies regarding appropriate expressions by students, parents, teachers, and other staff members consistent with federal, state and local laws.
2. Ensure and protect freedom of expression for all students, parents and caretakers, publics, and constituencies.

SECTION C: GUIDELINES FOR STUDENT BEHAVIOR

School leadership, teachers, and support staff are responsible for ensuring that meaningful and engaging instruction takes place and that students who want a high-quality education, receive it. Educators share responsibility to teach students the social and emotional skills required to achieve success in school, including interventions to monitor and change behavior until the individual student demonstrates acceptable behavior as a student and member of the school community.

Attendance

Michigan law places responsibility on each student to attend school on time, every day regularly and on each parent/guardian to send their child to school every day. The Board of Directors requires that all students attend school during the days and hours that the Academy is in session. Students are expected to be at school every possible day because they miss valuable instructional time and fall behind in their studies.

Attendance is also an important habit to learn in preparation for work. Each student is expected to receive a minimum of 1,098 hours of instruction to be promoted to the next grade or receive credit in coursework.

Did you know?

- It is the parent/guardian's responsibility to get their child to school.
- Missing just five days of school means 30 hours of missed instruction.
- Starting in kindergarten, there is a direct link between absences and reading level.
- One in ten kindergarten and first grade students is chronically absent.
- Students who are chronically absent are 7.5 times more likely to drop out of high school.

WHAT CAN YOU DO?

- Set a regular bedtime and morning routine.
- Lay out clothes and backpack the night before.
- Develop a back-up plan for how your child is getting to school in case something comes up. Call on a friend, family member or neighbor.
- Don't let your child stay home unless he or she is really sick. A stomach ache can be a sign of anxiety or avoidance.
- Have your doctor fax or email the school directly.
- Talk to your teacher or school leader if you need additional help or resources

Parents are asked to call the school office to notify the school of their child's absence or to leave a message on the answering machine whenever their child will be absent from school. Parents are encouraged to notify the office manager prior to 9:00 AM. Parents are to provide valid written documentation stating the cause of absence for the absence to be excused; otherwise, the absence will be considered unexcused.

Excused absences may be granted for the following reasons:

- a. Illness of the student. The School Leader may require a doctor's statement. A doctor's statement of illness must be presented if a student is absent more than three consecutive days or more than ten absences during a semester.
- b. Illness in the immediate family, which requires absence of the student from school.
- c. Death in the immediate family (should not exceed five days).
- d. Recovery from an accident.
- e. Required court appearance. Parents are asked to notify the school in advance.
- f. Professional appointments. Parents need to notify the school in advance of the appointment and are encouraged to have the child return to school after the appointment.
- g. Religious holidays regularly observed by persons of the student's faith, provided the parent has given written notice in advance of the absence.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- h. Absences for other reasons as approved by the School Leader upon request of the parent.

Upon return to school, a student is to check with his or her teacher(s) to schedule make-up work.

Absences

When a student accumulates 5 absences a warning letter will be sent home and a call from the Student Advocate will be made to the parent. If a student accumulates 10 absences school days absent, the parents must attend a mandatory meeting with the School Leader/Student Advocate. **When a student is absent from school for ten consecutive days without knowledge:** This meeting will determine the course of action that will be taken, which may include the development of an attendance contract, an absenteeism report submitted to the truancy officer, possible withdrawal from the school, and possible petition to the juvenile court. If the family chooses not to participate in the meeting, or the student does not uphold the attendance contract, an absenteeism report will be submitted to the county truancy officer. Students who are chronically absent may be recommended for retention. If the School Leader, the parent/guardian may be reported to the truancy officer of the intermediate school district and other state and local agencies. The school leader will attempt to make contact with the student's parent/caretaker during the period of consecutive absences.

Student Arrival and Dismissal

Arrival and dismissal of students will be supervised by staff 30 minutes before school starts and 30 minutes after school dismisses. Parents may circle through the parking lot and drop-off their children at the entrance of the school; children should proceed to their designated area with their teacher. If you need to enter the building, you may park in the designated parking area. Students who are leaving school at the end of the school day are to be picked-up at the end of last regular class time. Students are to be picked-up by a parent/caretaker or person designated by the parent/caretaker and approved by the School Leader immediately after school or report to after school child care (when available). Students are not to be unsupervised at any time during the school day or before and after school.

Late Arrival

Students are tardy to school if they arrive after the school day begins for all students. Teachers are expected to begin opening exercises promptly and transition smoothly into instruction. A tardy student must report to the office upon arrival and provide written or

oral reason from the student's parent. The School Leader, or his/her designee, will provide the student with a tardy pass to admit him or her to the class that is in session at the time.

A student who is tardy three times will receive a warning letter sent home to the parents for the parent's signature. If a student receives 6 unexcused tardies, an attendance intervention plan will be developed with the student, parent and School Leader. Tardy students interrupt learning for other students.

There are times when a deviation from a student's normal school schedule is necessary. Tardiness will be excused under the following circumstances:

- 1) Serious illness (accompanied by a parent's note or written doctor's notice)
- 2) Death in the family
- 3) Legally required presence at a court proceeding
- 4) School sponsored co-curricular and extra-curricular activities
- 5) Religious observations
- 6) Severe weather, fires, family tragedies
- 7) Pre-arranged late arrival approved by the School Leader

When a child is tardy between classes, it is the responsibility of the student to receive a pass from the previous teacher. Teachers are encouraged to assist students in transition to the next class. Students arriving in the classroom after the start of class will be considered tardy. State guidelines require that all attendance must be documented and reported to the local Intermediate School District, including late arrivals.

Early Dismissal

The student may need to leave school during the school day. The parent is to receive approval of the School Leader in advance by written or personal request for a justifiable reason, including early dismissals for doctor's appointments, religious observations, family funerals, and other pre-arranged events. The parent must contact the office before 12pm to get approval for early dismissal. Students will only be released to parents and adults designated by the parent/caretaker and approved by the School Leader. In child custody situations, the custodial parent must properly inform the School Leader of any limitations. Michigan law calls for students to receive 1,098 hours of instruction.

Expressions and Limitations

Students may exercise the right to freedom of expression through speech, assembly, petition, and other lawful means and have the right to advocate change of any law,

policy, or administrative guideline. The exercise of this right may not interfere with the rights of others nor may oral or written student opinions be used to present material that falls into one or more of the following categories:

1. Material that reasonably leads the School Leader or teacher to forecast substantial disruption of, or interference with, school activities or that endangers the health or safety of students;
2. Material that is libelous or slanderous - statements that are inaccurate or false statements that injure the person as to his or her reputation, cause personal humiliation, mental anguish, and suffering or other injuries;
3. Material that advocates the commission of a criminal act or is a criminal act as defined by the Criminal Code of the United States, the State of Michigan, the County or the City of residence;
4. Material that is obscene as defined in the Michigan School Code, as amended.
5. Material, communications, and or actions that are considered to be bullying as defined in the Michigan School Code, as amended, and in Board Policy and administrative guidelines.

Distribution of Literature by Students and Nonstudents

The School Leader or his/her designee shall coordinate distribution or display of literature by students enrolled in the school. The material must be approved by the School Leader, must not be in violation of applicable Board of Directors Policy, and must bear the name of the sponsoring individuals or school organizations.

Prohibition of Harassment, Intimidation, Bullying, and Hazing

The Academy is committed to providing a safe, respectful, and orderly learning environment and will not tolerate harassment, intimidation, bullying (including cyberbullying), or hazing of any kind.

Bullying and cyberbullying are prohibited on school property, in school-related vehicles, at school-sponsored activities or events, and through the use of electronic communication or telecommunications devices owned or controlled by the Academy. Bullying or cyberbullying that occurs off school grounds but causes a substantial disruption to the educational environment may also result in disciplinary action.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

Bullying includes any written, verbal, physical, or electronic communication, including cyberbullying, that is intended or that a reasonable person would know is likely to harm one or more students, either directly or indirectly. Any reference to bullying includes cyberbullying.

Hazing is strictly prohibited. Hazing includes any intentional, knowing, or reckless act directed against a student for the purpose of initiation into, affiliation with, holding office in, or maintaining membership in any group, team, or activity, regardless of the student's willingness to participate. Hazing is prohibited under Michigan law (MCL 750.411t) and may result in school disciplinary action and referral to law enforcement.

The Academy implements Board Policy 5517.01, which establishes reporting and investigation procedures and provides for education and appropriate disciplinary action to prevent future incidents. Students and families are encouraged to review the policy, discuss it together, and promptly report any observed or suspected incidents to a teacher, administrator, or other trusted school employee. Academy employees are required to report suspected incidents in accordance with Board policy.

Violations of this policy may result in disciplinary action, up to and including suspension or expulsion. Conduct that violates state or federal law may also be referred to the appropriate authorities.

Anti-Bullying Policy

Reference: The Matt Epling Safe School Law, Public Act 241 of 2011, as amended by Public Act 478 of 2014 (MCL § 380.1310b).

The Board believes that a safe and nurturing educational environment in school is necessary for students to learn and achieve high academic standards. Therefore, it is the policy of the Academy to provide a safe and nurturing environment for all of its students. Appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of students, as well as administrators, faculty, staff, visitors, and volunteers.

Bullying and Cyberbullying are Prohibited

Bullying and cyberbullying of a student, whether by other students, staff, visitors, Board members, parents, guests, contractors, vendors and volunteers, is prohibited. All pupils are protected under this policy, and bullying and cyberbullying are prohibited without regard to its subject matter or motivating animus.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

Definition of Bullying

“Bullying” means any written, verbal, or physical act, or any electronic communication, including, but not limited to, cyberbullying, that is intended or that a reasonable person would know is likely to harm one (1) or more pupils either directly or indirectly by doing any of the following:

- A. Substantially interfering with the educational opportunities, benefits, or programs of one (1) or more pupils.
- B. Adversely affecting the ability of a pupil to participate in or benefit from the school district’s or public school’s educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing substantial emotional distress.
- C. Having an actual and substantial detrimental effect on a pupil’s physical or mental health.
- D. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

“Cyberbullying” means any electronic communication that is intended or that a reasonable person would know is likely to harm one (1) or more pupils either directly or indirectly by doing any of the following:

- A. Substantially interfering with the educational opportunities, benefits, or programs of one (1) or more pupils.
- B. Adversely affecting the ability of a pupil to participate in or benefit from the school district’s or public school’s educational programs or activities by placing the pupil in reasonable fear of physical harm or by causing substantial emotional distress.
- C. Having an actual and substantial detrimental effect on a pupil’s physical or mental health.
- D. Causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Since “bullying” also includes “cyberbullying,” any reference in this policy to “bullying” shall also be deemed to refer to “cyberbullying.”

Bullying and cyberbullying are prohibited at school. “At school” is defined as on school premises, at school-sponsored activities or events, in a school-related vehicle, or using telecommunications access device or a telecommunications service provider if the telecommunications access device or telecommunications service provider is owned by or under the control of the school district. “Telecommunications access device” and “telecommunications service provider” mean those terms as defined in Section 219a of the Michigan Penal Code (MCL § 750.219a).

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Bullying and cyberbullying that does not occur “at school,” as defined above, but that causes a substantial disruption to the educational environment may be subject to disciplinary action in accordance with this policy and applicable law.

Reporting and Investigating Reports of Bullying

Every student is encouraged to report any situation that he or she believes to be bullying behavior directed toward a student to a teacher, a counselor, administrator, or other staff member. Staff members shall report any reports made by students or situations that they believe to be bullying behavior directed toward a student to the ESP. Complaints against the ESP shall be reported to the Board.

Under state law, a school employee, school volunteer, student, or parent or guardian who promptly reports in good faith an act of bullying to the appropriate school official designated in this policy and who makes this report in compliance with the procedures set forth in this policy is immune from a cause of action for damages arising out of the reporting itself or any failure to remedy the reported incident. This immunity does not apply to a school official responsible for implementing this policy or for remedying the bullying, when acting in that capacity.

Retaliation or false accusation against a target of bullying, a witness, or another person with information about an act of bullying is prohibited. Suspected retaliation should be reported in the same manner as suspected bullying behavior. Making intentionally false accusations of bullying is likewise prohibited. Retaliation and making intentionally false accusations of bullying may result in disciplinary action up to and including expulsion.

All complaints about bullying that may violate this policy shall be promptly investigated and documented. The ESP or designee is responsible for the investigation. If the investigation results in a finding that bullying has occurred, it shall result in prompt and appropriate disciplinary action, up to and including expulsion for students, up to and including discharge for employees, and up to and including exclusion from school property for parents, guests, volunteers, and contractors. Individuals may also be referred to law enforcement officials.

The Academy may utilize restorative practices that emphasize repairing the harm to the victim and school community in the correction of bullying behavior, which may include victim-offender conferences that:

- A. Are initiated by the victim;

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

- B. Are approved by the victim's parent or legal guardian or, if the victim is at least 15, by the victim;
- C. Are attended voluntarily by the victim, a victim advocate, the offender, members of the school community, and supporters of the victim and the offender (the "restorative practices team"); and
- D. Would provide an opportunity for the offender to accept responsibility for the harm caused to those affected, and to participate in setting consequences to repair the harm, such as requiring the student to apologize; participate in community service, restoration of emotional or material losses, or counseling; pay restitution; or any combination of these. The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.

Where the investigation results in a finding that bullying has occurred, both the parent or legal guardian of a victim of bullying and the parent or legal guardian of a perpetrator of the bullying shall be notified promptly in writing. In addition, administrators investigating alleged bullying may notify parents of the victim or perpetrator of bullying sooner than the conclusion of the investigation if circumstances dictate such earlier notification.

The Academy shall document any prohibited incident that is reported and shall document all verified incidents of bullying and the resulting consequences, including the required notification of parents or guardians and any discipline and referrals.

The School Leader is the school official responsible for ensuring that this policy is implemented.

Confidentiality

The Academy will comply with all applicable laws regarding confidentiality of personally identifiable information within education records. In addition, the identity of an individual who reports an act of bullying or cyberbullying shall be and remain confidential. The School Leader, or the School Leader's designee, shall ensure that the name of an individual who reports an act of bullying or cyberbullying is withheld from the alleged perpetrator and the perpetrator's parent(s), legal guardian(s) and representative(s), and is redacted from any report of bullying or cyberbullying that is publically disclosed.

Notification

This policy will be annually circulated to parents and students, and shall be posted on the Academy website.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

Reporting

As required by state statute, the Academy shall provide a report of all verified incidents of bullying and other required information to the Michigan Department of Education on an annual basis, according to the form and procedures established by the Department. As required by state statute, the Academy's procedures with respect to bullying are contained within this policy. No administrative guidelines accompany this policy.

Interscholastic Athletics Code of Conduct

Participation in school-sponsored extracurricular activities is a privilege. Students who choose to participate represent the school and are expected to demonstrate good character, responsibility, and respect at all times.

Student Expectations

Students participating in extracurricular activities are expected to:

- Demonstrate respect for teammates, sponsors, coaches, staff, officials, opponents, and spectators.
- Display good sportsmanship, integrity, and self-control during all school-sponsored activities.
- Follow all school rules, policies, and behavioral expectations.
- Maintain satisfactory academic progress and classroom behavior as determined by school administration.
- Attend practices, meetings, rehearsals, and events regularly, arriving on time and communicating any absences in advance.
- Care for all school-issued equipment, materials, or uniforms and return them in good condition.
- Refrain from the use or possession of alcohol, tobacco, vaping products, illegal drugs, or other prohibited substances.
- Use social media responsibly and in a manner that reflects positively on themselves and the school.
- Treat fellow participants with dignity and respect. Bullying, hazing, harassment, or intimidation will not be tolerated.

Performance-Enhancing Drugs and Compounds

The use of performance-enhancing substances is prohibited and may affect a student's eligibility to participate in athletics and extracurricular activities. The current list of prohibited substances published annually by the Michigan Department of Health and

Human Services (MDHHS) is included in the Athletics and Extracurricular Code of Conduct and is incorporated into this handbook by reference.

Parent Expectations

Parents and guardians play an important role in supporting extracurricular programs. Families are expected to:

- Encourage respectful behavior and positive sportsmanship.
- Support attendance and punctuality.
- Communicate concerns respectfully with the program sponsor or coach.
- Allow students to take primary responsibility for communicating with sponsors or coaches whenever appropriate.
- Follow the school's chain of communication if concerns arise.

Participation

Participation in extracurricular activities may be limited or suspended when a student:

- Violates the Student Code of Conduct.
- Fails to meet academic or behavioral expectations.
- Repeatedly misses required practices, meetings, or events without approval.
- Engages in conduct that negatively reflects on the school or the extracurricular program.

The school administration reserves the right to determine appropriate consequences based on the nature and severity of the violation.

Acknowledgement

Participation in school-sponsored extracurricular activities indicates that students and parents have read, understand, and agree to follow this Code of Conduct.

SECTION D: DISCIPLINARY ACTION

Definition of Discipline

Discipline is the positive direction of behavior toward established standards of conduct, fully understood and based upon reason, judgment, and consideration of the rights of others. Ideal discipline is self-directed and self-controlled. Schools, community, and parents share the responsibility for helping students develop self-discipline. When self-control falters and self-discipline fails, disciplinary action outside the individual must

be imposed to protect the rights of others and to ensure uninterrupted instruction by teachers for students.

The School Leader will carry out a positive behavior intervention program to help children and families, teachers and support staff, reflect upon their actions and be proactive instead of reactive to teach students self-discipline and acceptable social skills for school and career and college readiness. Positive discipline can be a powerful tool for teaching students to succeed. Intervention options need to consider disciplinary referrals as opportunities for learning, with exclusion reserved for the most serious offenses. The consequence must be reasonable in direct relationship to the seriousness of the misconduct or the pattern of misconduct.

Certain rules and procedures are established to guide students through constructive growth and readiness for careers and college. Parents, teachers, and others responsible for the welfare and education of these students need to cooperate to interpret and enforce these rules.

Mitigating Factors to be Considered

Except as otherwise noted below with respect to possession of a firearm in a weapon free school zone, if suspension or expulsion is considered, the Academy shall consider the following factors:

- A. the student's age
- B. the student's disciplinary history
- C. whether the student has a disability
- D. the seriousness of the violation or behavior
- E. whether the violation or behavior committed by the student threatened the safety of any student or staff member
- F. whether restorative practices will be used to address the violation or behavior
- G. whether a lesser intervention would properly address the violation or behavior

Restorative Practices

If the Academy determines that it will utilize restorative practices in addition to or as an alternative to suspension or expulsion of a student, it will engage in restorative practices which emphasize repairing the harm to the victim and school community caused by the student's misconduct.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

Restorative practices may include victim-offender conferences that:

- A. Are initiated by the victim;
- B. Are approved by the victim's parent or legal guardian or, if the victim is at least 15, by the victim;
- C. Are attended voluntarily by the victim, a victim advocate, the offender, members of the school community, and supporters of the victim and the offender (the "restorative practices team"); and
- D. Would provide an opportunity for the offender to accept responsibility for the harm caused to those affected, and to participate in setting consequences to repair the harm, such as requiring the student to apologize; participate in community service, restoration of emotional or material losses, or counseling; pay restitution; or any combination of these. The selected consequences and time limits for their completion will be incorporated into an agreement to be signed by all participants.

Mandatory Exclusion by Michigan Law

For students in grades 6 and above, Michigan law requires the Board of Directors to remove a student who possesses a dangerous weapon, unless the student meets an exception in the law, commits arson, criminal sexual conduct, physical assault against a school employee or volunteer, physical assault against another student, bomb threat or similar threat.

The law provides a process for parents/guardians to petition the Board for reinstatement of the student. The School Leader will provide the parent/guardian with procedures to petition for the student to return to school. Parents/guardians should anticipate conditions for reinstatement being established.

Behaviors Warranting Disciplinary Action

Students are expected to meet classroom and school rules and are subject to appropriate disciplinary action, including suspension and expulsion, as set forth in the Michigan School Code. The purpose of disciplinary decisions is to develop self-discipline and social skills required for success in college and work. The positive discipline system is based on behavior intervention support much like our academic Accelerated Learning Plans. Behaviors that interfere with the rights of students to achieve academic success and to be educated in a safe, secure environment are categorized into three groupings, with exclusion from school reserved for most serious infractions and repeated and habitual behaviors that deter teaching and learning.

If a student feels unsafe or threatened, the student or the student's parent/guardian is encouraged to contact the School Leader immediately. Individual rights include

individual responsibility within the bounds of reasonable behavior expected of all members of the school community. This applies especially to the freedom of fellow students to receive instruction. Educators must prioritize keeping students engaged in meaningful learning.

Various types of student misconduct are listed. The list is not all-inclusive and a student who commits an act of misconduct not listed is still subject to disciplinary action.

1. Absenteeism;
2. Appropriate Dress and Grooming
3. Appropriate Use of Electronic Communication Devices
4. Alcohol and Drugs
5. Arson or attempted arson;
6. Assault (or attempted assault) and Battery
7. Bullying

49. Weapons: Dangerous Weapons
50. Weapons: Use of Legitimate Tools as Weapons (including, but not limited to, pens, pencils, compasses, and combs)
Weapons: Look-a-Likes
51. Any violation of this code, policies of the Board of Directors, administrative guidelines, or local, state or federal law;
52. Any other conduct considered by the School Leader or teachers to be disruptive, disrespectful or disobedient.

In the following six cases, discipline referrals must be made immediately to the School Leader:

1. Fighting;
2. Assault and or battery toward a teacher or another student;
3. Student actions that disrupt the class to the extent that the teacher's authority is being challenged and the teacher is losing control of the class;
4. Student actions which indicate the use of drugs, alcoholic beverages, or other behavior-altering substances;
5. Student actions that present a danger to the safety and well-being of anyone in

- the school;
6. Other criminal acts in violation of local, state or federal laws.

The School Leader is to recommend long term suspension of more than ten days or expulsion for the following first-time offenses occurring on school property, at school-sponsored activities, or for school-related reasons:

1. Arson or attempted arson, including setting fire to anything on school property;
2. Assault and/or battery of an employee or student;
3. Possession, use, or sale of a firearm or dangerous weapon;
4. Manufacturing, growing, distribution, and/or sale of drugs and/or drug paraphernalia;
5. Extortion, attempted extortion, robbery, and/or larceny;
6. Immoral conduct;
7. Hazing;
8. Unlawful assembly and/or riot;
9. Possession, use, distribution, sale, lighting, or discharge of explosive devices;
10. Students found guilty or not innocent of a crime that resulted in or could have resulted in injuries to others, regardless of where the crime occurred.

Discipline Procedures

At all times when students are under school jurisdiction, they are expected to conduct themselves in an orderly, courteous, dignified, and respectable manner. In an effort to maintain an orderly atmosphere in the school and on the school grounds, the teacher's authority extends to all students, whether or not the teacher teaches the student in class.

Disciplinary Actions.

Disruptive student behavior is subject to disciplinary action by the teacher and/or School Leader. School leaders and staff are expected to use respectful and accountable intervention strategies, such as staff and student/parent conferences, auxiliary staff intervention and counseling programs, student programs for conflict resolution, peer mediation, anger management, anger prevention, and social skills. Intervention strategies may include anger management and conflict resolution programs for parents. Community based services may be called upon when appropriate. Actions taken by School Leader may include but are not limited to:

1. Daily/weekly progress reports for students and parents
2. Time out in the classroom or other secure, supervised area;
3. Conference with the student;
4. Oral and/or written reprimand;
5. Detention during, before and after school

6. In school alternative with another teacher
7. Relocation to another classroom for a brief period of time
8. Relocation to blended learning environment
9. Conference with a parent;
10. Consultation with a behavior specialist
11. School service assignment
12. Denial of participation in school activities
13. Give students a choice of consequences
14. One-day suspension until a satisfactory conference with a parent is held.

A discipline referral should be sent to the School Leader when the teacher has exhausted in-classroom actions and feels that the student's improper behavior cannot be corrected through classroom management practices without sacrificing safety and/or learning for other students.

After consultation with the student and the teacher (if needed), the School Leader will determine the course of action required to provide a safe, secure school. Action taken by a School Leader toward students who are disruptive may include but is not limited to:

1. A conference with the student and/or the parents;
2. A verbal and or written reprimand;
3. Consultation with behavior interventionist, social worker, counselor, and outside agencies;
4. Entering into Individual Student Behavior Plan between student, parent, and School Leader;
5. Detention during, before, and after school and on Saturday;
6. Focused in school academic alternatives
7. Counseling and psychological services (school will provide some resources, but not financially responsible to pay for it)
8. School service assignment
9. Removal from co-curricular and extra-curricular programs until ISBP satisfied;
10. Referral of student and parent/guardian to a parent program
11. Out-of-school suspension (OSS) (up to five days and up to ten days with approval of the School Leader's supervisor);
12. Recommendation for long-term suspension (more than ten days) with approval of the School Leader's supervisor and Board of Directors;
13. Recommendation for expulsion with approval of the School Leader's supervisor.

behavioral, and/or chemical dependency evaluation and treatment and/or counseling recommendation with attention to applicable special education rights afforded children with disabilities.

Corporal punishment is prohibited by Michigan law and is not to be used in any situation.

Incorrigible Behavior:

A child is incorrigible when the child repeatedly or habitually engages in unacceptable behavior as defined in the Code of Student Conduct and disrupts the school and or classroom to the extent that the School Leader's and or teacher's authority is being challenged. Incorrigible behavior, and other patterns of behavior, may result in long-term suspension (more than ten school days) of a student from the Academy. Parents and adult caregivers enter a partnership in responsibility with the Board of Directors to cooperate with the School Leader, faculty and staff to demonstrate responsible behavior in situations involving their child. The School Leader and faculty expect parents/caretakers to share responsibility for each student's responsible actions, academically and behaviorally and to enter a partnership in responsibility.

Patterns of Behavior:

1. Parents send and don't support their children at school.
 - a. Parent's low expectations: academic and behavior
 - b. Parent's reluctant to take responsibility for their own actions
 - c. Parent's bad-mouthing school and staff
 - d. Parent's being disrespectful to staff
 - e. Parent's failure to check in properly, disruption of classrooms, and assaulting employees
 - f. Parent's not volunteering and not having school's interests at heart
 - g. Failure of parents to cooperate with school in behavior improvement plan
2. Students not accepting academic responsibility for being on grade level and above.
3. Student failure to attend school responsibly (absences, tardies, and not responsible).
4. Student discipline problems.
 - a. Bringing community issues to school and trying to solve them at school.
 - b. Students having low expectations: academic and behavior.
 - c. Students are reluctant to take responsibility for their own actions.
 - d. Students talking back to teachers.
 - e. Rude, disrespectful behavior that escalates into overly aggressive

- behavior.
- f. Not following teacher directions.
- g. Leaving the classroom without the teacher's permission.
- h. Lying about situations.
- 5. Attitude of Learned Helplessness.

Definitions.

Out-of-school suspensions are considered in the following classifications:

- **Short-Term:** Short-term suspensions occur when a student is suspended for one school day, up to and including five school days. The student's rights and privileges of attending school, including extra-curricular and co-curricular activities, are suspended. The child's teacher may suspend him or her for one day or until a parent comes to school and holds a satisfactory conference with the teacher. **The School Leader can suspend a student for up to five days and for up to ten days with approval of the School Leader's supervisor.**

The School Leader or designee must provide the student and the parent/guardian with oral or written notice of the misbehavior and an explanation of the situation. The parent shall be notified in writing of the action taken.

- **Long-Term:** A student can be suspended for more than ten days following approval of the School Leader's recommendation by the Board of Directors or its appointed representative. Long Term Suspension from school excludes the student from regular school attendance and participation in academy activities until readmitted by the Board.
- **Expulsion:** A student can be expelled only by action of the Board of Directors based upon recommendation of the School Leader or his/her designee. Expulsion from school excludes the student from regular school attendance and participation in academy activities until readmitted by the Board.
- **Notification:** A letter from the School Leader or his/her designee will be sent to the student's parent(s) when the student is assigned detention or out-of-school suspension or is recommended for long-term suspension or expulsion.

The suspension notice for *out-of-school suspension (ten or fewer days)* shall include at

least the following information:

1. Reason(s) for the suspension and date(s) of suspension are to be clearly stated;
2. A parent will be contacted to establish a date and time for a readmission conference with the School Leader;
3. The student will not be allowed to participate in classroom and school activities during the suspension period;
4. The student is not to go on school property;
5. Appeal procedures shall be clearly stated in detail.

The suspension notice for long-term suspension/expulsion (greater than 10 days) shall include at least the following information:

First Notice and Invitation to Meet

1. The reason(s) for a long-term suspension or expulsion are to be clearly stated;
2. A parent should be informed that an investigation is being conducted by the School Leader and what the most severe recommendation might be;
3. A date and time for a conference is given when a parent, accompanied by the student, are invited to come to school for a conference with the School Leader or designee and/or other advisors to present and hear information;
4. The student will not be allowed to participate in classroom and school activities during the suspension; and
5. The student is not to go on school property or attend school activities.

Following the conference, the School Leader will review the facts with his/her supervisor and they may decide to recommend long-term suspension or expulsion to the Board of Directors. The School Leader or his/her supervisor will inform the parent(s) and student of the recommendation to reinstate with conditions, long-term suspension, or expulsion. If the School Leader recommends long-term suspension or expulsion, the School Leader or his/her supervisor will write to the President of the Board and send a copy of the notice to the parent(s) including at least the following information:

Second Notice to the Parent/Guardian of Recommendation to the Board of Directors

1. The recommended action and reason(s) for the recommendation are clearly stated;
2. The right of the student and his/her parent(s) or guardian to a hearing before

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

- the Board of Directors or its designees for long-term suspension and for expulsion recommendations, including the time, date, and location of the hearing;
3. The right to inspect the student's school records and related documents;
 4. List of all witnesses that may testify;
 5. The right to an adult advocate, including parents, other adult advisors up to and including legal counsel;
 6. Copy of Board Policy 5610 Emergency Removal, Suspension and Expulsion of Students, including discipline hearing processes and appeal procedures.

Subsequently, the School Leader will follow-up with the student and his or her parent or guardian of the time, place, and location of the hearing with the Board of Directors or its designee to ensure delivery of the notice and to respond to questions.

Students with Disabilities. Students with an Individualized Education Program (IEP) are responsible for following the Code of Student Conduct. Students with disabilities may be suspended for inappropriate behavior. In making decisions concerning inappropriate behavior by students in Special Education, the teacher and the School Leader are to consult with the student's Special Education resource room teacher to ensure consistency with the student's IEP. School Leader is responsible for consistency with specific special education procedures.

School Leader may recommend a student with disabilities for long-term suspension or expulsion (greater than ten days) by following these procedures:

1. The School Leader will follow regular procedures for long-term suspension or expulsion as described above.
2. Once the School Leader has made a recommendation for long-term suspension or expulsion of a student with disabilities, he or she shall hold the Manifestation Determination Review to determine:
 - (1) if the student is eligible for special education services;
 - (2) if the student is appropriately placed in a special education program; and
 - (3) if there is a causal relationship between the student's disabling condition and the conduct for which he or she is to be disciplined.
3. The parent will be notified in writing of the time and place of the hearing and its purpose.

Appeal Procedures

In-school Disciplinary Actions

Should a parent disagree with disciplinary action of the school **other than out-of-school suspensions or expulsions**, the parent may appeal the decision as follows:

1. Appeals should be made to the School Leader by arranging an appointment or by writing to the School Leader.
2. If the parent is dissatisfied with the result of the appeal to the School Leader, the parent may appeal to the School Leader's supervisor. Appeals must be filed, in writing, within three school days of receipt by the parent of the School Leader's notice of disciplinary action. The School Leader's Supervisor's decision is final.

Out-of-School Suspension (five days or fewer)

Should the parent disagree with a suspension of five days or fewer, the parent may appeal the decision of the School Leader as follows:

1. Appeal requests must be made in writing by the parent to the School Leader. Such written requests must be filed with the School Leader within three school days of the notice of suspension or the right to review and appeal is waived.
2. If the parent is dissatisfied with the School Leader's decision, he or she may appeal the decision to the School Leader's supervisor. Such written requests must be filed with the School Leader within three school days or the right to review and appeal is waived. The School Leader's Supervisor's decision is final.

In cases of immediate appeal, if the School Leader determines that the student's presence at school does not create a continuing danger to persons or property or an ongoing threat of disruption, the student may be allowed to continue in school on a regular basis until the appeal is considered. A favorable decision will allow the student to continue in school, whereas a decision supporting the School Leader will require the student to serve the full suspension beginning the next school day after receiving notice of the decision. In situations where the student is excluded during the appeal process and the appeal is ultimately favorable to the student, opportunity will be provided for the completion of make-up assignments.

Long-Term Suspensions (more than five and up to ten days)

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.

[RETURN TO TABLE OF CONTENTS](#)

A student may be suspended for more than five school days and up to ten school days with approval of the School Leader's supervisor. The same appeal procedures for Short Term Suspensions apply to suspensions of more than five and up to ten school days, with the exception that if the parent is dissatisfied with the decision of the School Leader's supervisor, he or she may appeal the decision to the Board of Directors by filing a written request of appeal within five school days or the right to further appeal is waived.

Expulsions and Long-Term Suspensions (more than ten days)

Long-term suspension of more than ten days and expulsion occur when the Board of Directors terminates the student's rights and privileges to attend school, including extra-curricular and co-curricular activities. Long-term suspension is for a specific period of time, while expulsion is for an indefinite period of time. Reinstatement processes are outlined in Board Policy.

Following the School Leader's recommendation for long term suspension of more than ten days or expulsion, the Board of Directors, or its designated representative, will hold a hearing within the ten days suspension period to determine whether to impose a long-term suspension or expulsion. The student and parent/guardian must be notified of the allegation, the recommended disciplinary action, the time, date, and location of the hearing, and of their right to attend and participate in the hearing. Prior to the hearing, families will be given an opportunity to review all evidence as well as a list of all persons scheduled to testify.

Following a hearing, should the parent disagree with the Board designee's decision to suspend a student for more than ten school days, the parent may appeal the decision to the Board of Directors as follows:

Appeal requests must be made in writing by the parents to the School Leader within five calendar days of receipt of the suspension decision, or the right to appeal is waived. The petition to appeal the representative's decision shall be in writing and contain the reason the designee's decision should be reviewed or reconsidered. The designee may be an individual or a discipline committee of two Board members.

The parent/guardian of the student may petition the Board of Directors to request the student's reinstatement to schools, as permitted by law. Within ten school days, the Board must appoint a committee to review the petition and any supporting information provided by the petitioner. The committee has ten days to review the petition, including

documents provided by the petitioner and School Leader, and submit a recommendation to the Board of Directors.

All appeals of decisions by Board designated representatives to the Board Appointed Discipline Committees shall be considered by the Board of Directors at its next regularly scheduled meeting. The Board must decide to reinstate the student, to reinstate the student conditionally, or to deny reinstatement.

CLOSING

FERPA Notice of Directory Information and Opt Out Form

Student and Family Handbook Update

According to Board Policy 8330, the Academy may disclose appropriately designated "directory information" without written consent unless the parent or adult student advises the School to the contrary by filling out, signing, and returning the Directory Information Opt-Out Form to the Academy. The primary purpose of directory information is to allow the School to include this information in certain school publications.

The following list of uses are those the Academy would commonly disclose a student's directory information.

Common Uses of Directory Information

- Playbill /Event Program
- Annual Yearbook
- Honor roll or other recognition
- Graduation Programs
- Sports and Activity Sheets
- Colleges or post-high school institutions

Directory information, generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's or adult student's prior written consent. Two (2) Federal laws require the Board to provide military recruiters, upon request, with three (3) directory information categories, names, addresses, and telephone listings -unless parents or adult students have advised the Academy that they do not want their student's information disclosed without their prior written consent.

Directory Information

- Student's name
- Participation in officially recognized extra-curricular activities/sports
- Height and weight, if a member of an athletic team
- Date of graduation
- Achievement awards or honors received; honor rolls
- Scholarships
- Photographs or videos of students participating in school activities, events, or programs

The Board will make the above information available upon a legitimate request unless a parent, guardian, or adult student has opted out of the provision of this information by returning the [Opt-Out Form](#) to the School Office within 14 days of receipt. Directory information will not be provided to any organization for profit-making purposes. If you do not wish to opt out of any of the above common uses, you do not need to take any action.

Acceptable Use Agreement

Student and Parent/Guardian Acknowledgment

The Academy provides students with access to technology resources, including computers, devices, software, networks, internet access, electronic communication systems, and other digital learning tools, to support teaching and learning.

Use of Academy technology resources is a privilege, not a right, and all users are expected to use these resources safely, responsibly, ethically, and in accordance with Academy policies.

Before a student is granted access to Academy technology resources or a school-issued email account, this agreement must be reviewed and signed by both the student and a parent or guardian.

Student Acknowledgment

By signing below, I acknowledge that:

- I have read, understand, and agree to follow the Academy's Student Acceptable Use of Technology Policy contained in the Student Handbook.
- I understand that use of Academy technology resources is a privilege that may be suspended or revoked if I violate Academy policies or applicable laws.
- I understand that I have no expectation of privacy when using Academy-owned devices, networks, internet services, email, or other technology resources. My activity may be monitored, reviewed, and retained in accordance with Board policy and applicable law.
- I understand that I must use Academy technology for educational purposes and in a safe, respectful, ethical, and legal manner.
- I understand that misuse of Academy technology, including cyberbullying, harassment, unauthorized access, plagiarism, copyright violations, inappropriate use of artificial intelligence (AI), attempts to bypass security measures, or other violations of the Student Handbook, may result in disciplinary action, loss of technology privileges, financial responsibility for damages, referral to law enforcement when appropriate, or other consequences permitted by law.
- I understand that I am responsible for protecting my username, password, and Academy-issued devices and for reporting any damage, loss, security concern, or suspected misuse immediately to a staff member.

This handbook is an administrative guideline developed under Board Policy 1230.01. It supports Board policy and aligns with law and the charter contract.
